

## DISCUSSES LINK BETWEEN CHINESE "REDS" AND RUSSIA

Such Link Strongly Condemned In U. S. White Paper In China

### THEORY EXPLODED

Mao Tze-Tung Explodes Idea Chinese "Reds" Are "Agrarian Reformers"

This is the fourth article of a series by veteran far eastern reporter Howard Handelman on the military and political battle for China. In today's article Handelman discusses the link between Chinese Communists and Soviet Russia, which was so strongly condemned in the U. S. white paper on China, issued last Friday.

By Howard Handelman  
(Far Eastern Director, INS)

TAIPEH, Aug. 11 (INS)—Many persons once believed that Mao Tze-Tung and his Chinese Communists were "agrarian reformers" who would not adhere to the line of international communism or the desires of Moscow.

Mao himself exploded that idea last month when he discussed the question of whether victory was possible for his communist forces alone, without Soviet help. He said flatly it was not, in these words: "In the era when imperialism exists, it is impossible for the true peoples revolution of any country to win its own victory without assistance in various forms from international revolutionary forces, and it also is impossible to consolidate the victory even when it is won."

"Let us think it over. If the Soviet Union did not exist, if there were no victory in the anti-Fascist Second World War, and especially for us, no defeat of Japanese Imperialism, if the various new democratic countries of Europe did not come into being, if there were no rising struggles of the oppressed nations in the east, if there were no struggles of the masses of peoples in the United States, Britain, France, Germany, Italy, Japan and other capitalist countries against the reactionary cliques ruling over them, and if there were no sum-

### Unique Pennies Display Adds To Aid's Display

HULMEVILLE, Aug. 11—A "birthday" anniversary party for the Ladies Aid, Neshaminy Methodist Church, was arranged in connection with the monthly meeting Tuesday evening. Twenty-three gathered at the residence of Mrs. E. D. Adler, where Mrs. Adler and Mrs. Alfred Woolman served in the capacity of hostesses.

To mark the anniversary, members had arranged pennies in unique and attractive patterns as donations to the society. With Mrs. Albert Tomlinson serving as judge, the arrangement of pennies in the shape of a money tree, outlined by Mrs. Edward Bilger, and the beach scene planned by Mrs. Edward Van Arsdale, were deemed worthy of the first places. Consolation prize went to Mrs. G. A. Japchen. Other attractive arrangements included a bird's nest, pirate chest, musical scores with pennies forming the notes, floral bouquets, tramp's pack, etc. The Aid benefited to the sum of \$12.11.

Mrs. Hugh B. Webster presided during business. Plans were made for a picnic for members at Hulmeville Park next Wednesday. Refreshments were served.

### At B-36 Probe

Maj. Gen. Frederick Smith Jr.

MAJOR GENERAL Frederick Smith Jr., of the Air Force is shown as he testified at the House Armed Services Committee investigation, in Washington, into the conception and development of the B-36 bomber. Gen. Smith declared that the Air Force had placed two bomber groups "on the alert" when Russia launched the recent Berlin blockade. (International)

### HERE AND THERE IN BUCKS COUNTY TOWNS

Activities of Interest To All in The Various Communities

#### GLEANED BY SCRIBES

Two women were confirmed as contributing members, one re-instatement was noted, and action taken on another application for membership when Eagle Fire Co. of New Hope held a meeting a few nights ago.

A minstrel show is planned for Bucks Co. Playhouse early in October, with James Skillman named director.

Dr. Ross Stover, Philadelphia, extended best wishes to the Rev. Charles E. Freeman on the 30th anniversary of his pastordship of Salem Reformed Church on Sunday.

The Rev. and Mrs. Freeman went to Doylestown in 1919 when the church had a membership of about 350 and have seen the church grow to double that number with a large addition made to the assembly hall and church proper and a pipe organ installed at a cost of \$70,000.

Having graduated from the theological seminary in Lancaster in 1905, the Rev. Mr. Freeman held his first post at St. Paul's Church in Summit Hill. Going from there to Christ Reformed Church, at Shepherdstown, W. Va., he met Miss Alice Billmyer, whom he married in 1914.

Following this he accepted a call

## A SUMMARY OF THE NEWS

Former President Herbert Hoover observed his 75th birthday anniversary yesterday with an address at Stanford University warning that pressure groups and spendthrift policies were pushing the country at high speed down the "back road" to collectivism. Pointing out that the average workman labored a week in each month to pay his taxes, Mr. Hoover condemned more Government borrowing and urged a cut in Government spending and waste.

President Truman gave a new impetus to strengthening and streamlining the civil and military control of the nation's military establishment as he signed the National Security Bill providing for a Department of Defense and a chairman for the Joint Chiefs of Staff.

The Senate committee investigating "50 percenters" learned that the former owners of the Lido Beach Hotel, which was bought by the Navy in 1945 for \$1,300,000, obtained repossession of it for \$635,000 with the aid of James V. Hunt. Mr. Hunt received \$71,000 in fees.

The House Armed Services Committee, inquiring into the development of bombers, was told by Major General Frederick H. Smith, Air Force requirements chief, that a board of senior Air Force officers

### 728 Books Circulated By Library In July

A total of 728 of the books were taken from the shelves of Bristol Free Library during July by those interested in fiction and reference works.

The total circulation included: Books for adults, 458; juvenile, 262; reference, 8.

Attendance was 591 for the month, and 27 new members registered.

### KITCHEN GUTTED, DOG IS BURNED TO DEATH

Fire of Undetermined Origin Occurs at Cornwells Double Dwelling

#### 3 COMPANIES RESPOND

CORNWELLS HEIGHTS, Aug. 11—Fire of undetermined origin gutted one rear kitchen of a 2½-story frame, double dwelling, on Station avenue, at 12:05 this morning. Mr. and Mrs. Charles T. Kerber lived on one side of the structure, and Mr. and Mrs. Ira Shaffer on the other.

Considerable damage was done on the Kerber side. Mr. and Mrs. Kerber were not at home at the time. Damage on the Shaffer side was due to smoke and water.

A pet dog of the Kerber family was burned to death, and another dog is reported missing.

Cornwells Fire Co., No. 1, Union Co., and Eddington Co. responded to the alarm.

J. Alfred Rigby, Sr., who lives nearby, turned in the alarm.

About 1½ years ago the same building had an overheated chimney fire. Mr. and Mrs. Henry Kerber, now of Andalusia, parents of Charles Kerber, were occupants at that time.

### "Freedom Party" Given To Mr. Thomas Childs

A "freedom party" was tendered Thomas Childs, by his wife on the lawn of the home of Joseph Mills, Old Rodgers road, Saturday evening, in honor of his 21st birthday anniversary.

Those present: Roland Willard, Huntingdon Valley; Mr. and Mrs. George Hunter, of Bristol; Mrs. Dolores Schoell, Mr. and Mrs. Edward Freer, Mr. and Mrs. John Schoell, Stacy Childs, Joseph Mills, Joseph Childs, Charles Mucci, Richard Schwartz, Bristol township; Mr. and Mrs. Joseph Tillo, Bridgewater; Mr. and Mrs. Joseph Donnelly, Eddington; Mr. and Mrs. Clifford Brass and Harold Brass, of Holland. Charles Fleischauer, of Wissinoming.

President of the association, Mr. Tuckey, and Mrs. Tuckey will show pictures taken on their recent trip to Cuba. "Background" music will be provided.

Progress is reported in plans for the fall flower show of September 16th and 17th. A meeting of all show chairmen will take place August 16th, at 7:30, preceding the regular meeting.

Mrs. John D. Davis, chairman of the schedule committee, announces the following classes for next Tuesday. ### COOL SWIM ON TAP AT ALL TIMES

WITH THE REST of New York City sweltering in the mid-ninety heat, six-months-old Charles Vizthum, Staten Island, N. Y., finds the water in his own private swimming pool. Maybe he can't swim around much, but the kitchen sink appears made to order for Charlie. (International)

### BEGONIAS ARE TO BE FEATURE OF PROGRAM

Guest Participants Scheduled For Trevoze Ass'n Session Tuesday

#### PLANT DISEASE TALK

TREVOZE, Aug. 11—With three members in the "cast," "An Evening with Begonias" will be in order at Trevoze community house, next Tuesday, August 16th. The Margaret C. Greenbaum Branch of the A. B. S. will present the skit, participants being Mrs. Elsa Fort, Merchantville, N. J.; Mrs. Frank H. Mather, Haboro; and Mrs. George McNabb, Buckingham. The begonias mentioned in the skit will be on exhibition with name and history attached, it is stated.

Members are also invited to take their best begonias, for display of either blooms or foliage.

A short talk on plant diseases and insect pests and means of combating same will be given by Louis J. McConnell, of Holland. Mr. McConnell is U. S. plant inspector for the Port of Philadelphia, and the title of his talk will be "Conservation Begins at Home."

President of the association, Mr. Tuckey, and Mrs. Tuckey will show pictures taken on their recent trip to Cuba. "Background" music will be provided.

Progress is reported in plans for the fall flower show of September 16th and 17th. A meeting of all show chairmen will take place August 16th, at 7:30, preceding the regular meeting.

### TITO SEEKS RECRUITS

Time is not healing the breach between Premier Stalin and Marshal Tito, between the Russian-dominated Cominform and the defiant Yugoslav Communist Party, between the Moscow-centered communism upheld by the Soviets and the nationalistic variety put forth by Belgrade. If anything, the split is wider now than it has been at any time since the first crack appeared.

It widened perceptibly only the other day when Marshal Tito made a speech posing a new challenge to Russia. He plainly hinted that he would support popular movements against the Russian-imposed communist regimes in Albania and Bulgaria. This offer, if accepted, might end in Marshal Tito heading a group of Balkan dictators, all communists but nationalists too, who would be quite capable of putting Russia in a role very different from the one she seeks.

Such a development could alter the whole aspect of the present world political situation. This is true because the Russian concept of communism leaves no room for more than one interpretation—the Russian. All communists must follow the party line as laid down in the Krenlin. If it should be successfully defied by a significant number of communist states, the whole basis of the present world struggle would change.

Can Marshal Tito export his special Yugoslav variety of communism? No predictions are possible. It is known, however, that he dared to father it and has so far defended it against Russia with complete success.

### PILING UP SECURITY

With the world in a state of tension the wisdom of stockpiling critical raw materials ought to be self-evident. So the ringing defense of the practice as now made by the Munitions Board is probably dictated by a fear that Congress in reducing a whole, will go even further than the Senate Appropriations Committee in reducing funds available for this purpose.

Though not commenting specifically on this action the board's report, required by law, declares that any slackening of the effort to build up reserves of supplies endangers the nation's security. It points out that stockpiling must be a steady, continuous process. It is slow business at best and could not be appreciably speeded up in case of sudden emergency.

The board believes that the possession of an enormous stockpile is a deterrent to war. It holds so firmly to this belief that it even urges that the world be kept informed of the size and nature of the reserves of materials for the military establishment. It claims that if a potential aggressor knows how well-equipped this country is, he will hesitate to engage it in conflict.

American children succeed in wearing out an average of three and one-half pairs of shoes a year—but it's quite a scuffle.

## Discusses Link Between Chinese 'Reds' and Russia

Continued from Page One  
total of these things, then the international reactionary forces bearing down on us would surely be far greater than at present.

"Could we have won victory under such circumstances? Obviously not."

Communist China does not need aid from Britain or America, he said, and warned against it because, he argued, British and American leaders would lend money to a "people's state" only to serve their own ends.

"Internationally," he declared, "we belong to the anti-imperialist front headed by the USSR and we can only look for genuine friendly aid from that front, and not from the imperialist front."

But, Mao said, there are some capitalists that he will cooperate with.

"The National Bourgeois class is of great importance at the present time," he stated. Imperialism is still standing near us and this enemy is very fierce. A long time is required for China to realize its true independence economically.

"Only when China's industries are developed and China no longer depends on foreign countries economically, can there be real independence."

"To cope with imperialist oppression and to raise the backward economic status one step higher, China must utilize all urban and rural capitalist factors which are beneficial and not detrimental to national economy and the peoples' livelihood, and unite with the national bourgeoisie in common struggle."

"Our present policy is to restrict capital, not to eliminate it."

The military successes so far, Mao said, are "simply the first step in the 10,000 mile long march."

He explained: "Remnants of the enemy have still to be wiped out, and the grave task of economic reconstruction lies before us."

Western diplomats, businessmen and military observers in Canton, Hongkong and Taipei are still, a month later, trying to decide why Mao made the speech.

They feel he had nothing to gain from such an announcement and a good deal to lose.

Chinese nationalist officials take an opposite view, saying that to Mao the opportunity to trade with the west was no opportunity at all and that the speech accomplished two important things for him:

1. Proved to Moscow that he was not courting the west in any way, and that his allegiance was completely with the Soviet bloc.

2. Fanned anti-foreign spirit among the people of his part of China and carefully channeled their resentment against Americans and British and away from Russians.

These Chinese consider Mao's speech well-planned to meet his current problems.

(Tomorrow: Conclusion—"Civil War" or "International War.")

## A Summary of The News

Continued from Page One

crisis touched off by the question of King Leopold's return to the Belgian throne.

The Albanian Government charged that Greek troops fighting guerrillas had invaded Albanian territory near the frontier with Greece. It reported that hundreds of Greek troops had been killed or captured in a four-day engagement.

In Vienna there were reports that the Russians were dismantling or preparing to dismantle some Soviet-controlled factories scheduled to be turned over to Austria for \$150,000,000 under the terms of the draft of the proposed peace treaty.

An anti-Semitic newspaper article that advised Jews to "go to America" led to a riot in Munich in which six Jews and three German policemen were seriously injured.

Here and There

### Bucks County Towns

Continued from Page One

to the First Church of Hamburg, and five years ago was given a degree of Doctor of Divinity by Franklin and Marshall College, in recognition of his work with the Churchmen's Brotherhood and general church work.

The clergyman is now looking forward to having an assistant pastor, Rev. John Martin, of the Senior class of the Theological Seminary at Lancaster, having worked with the young people of the church in that capacity all summer.

A number of traffic violators were taken before New Hope justices of the peace during the past few days. Charges included failure to stop at "Through traffic" signs, disregarding parking signs, etc. Fines and costs were imposed in each instance.

### RECIPES

Mock Chicken Legs, Country Style

3/4 pound ground veal  
1/4 pound ground pork or pork sausage

1 teaspoon salt  
1/2 teaspoon pepper  
5 wooden or metal skewers  
1/4 cup enriched flour  
3 tablespoons lard or drippings  
2 cups milk  
Salt for gravy  
Pepper for gravy

Combine ground meat, salt and pepper. Divide meat into 5 portions. Mold each portion firmly on a skewer shaping the meat like a drumstick. Dredge with flour. Brown on all sides in lard or drippings. Cover and cook slowly for about 30 minutes. Remove drumsticks from pan, stir remaining flour into drippings and add milk. Stir until smooth. Season gravy. Serve gravy over drumsticks. 4 to 5 servings.

Get the "in-the-ways" out of the way the Want Ad way.

## Proper Way to Brush Teeth

Baking soda makes a most effective dentifrice. Just wet your toothbrush in cool water, pour soda in palm of hand and dip the brush into it.

By HELEN FOLLETT

YOUR dentist can tell by the color of your teeth whether or not you brush them properly. It seems that few individuals make a really good job of this important detail of oral hygiene. The outer surfaces get a scouring, but the sides of the teeth and the inner surfaces barely get more than a lick and a promise. Our bits should not only be kept clean, they should be polished. How much time do you spend on yours?

Whenever possible, brush your teeth soon after a meal. Certain food elements ferment, produce chemicals that act unfavorably on the dentine, and they do it in a hurry. If you have a sweet tooth, indulge in candy gorges, be extra fastidious when washing your teeth. Sugar is no friend to the mouth pearls.

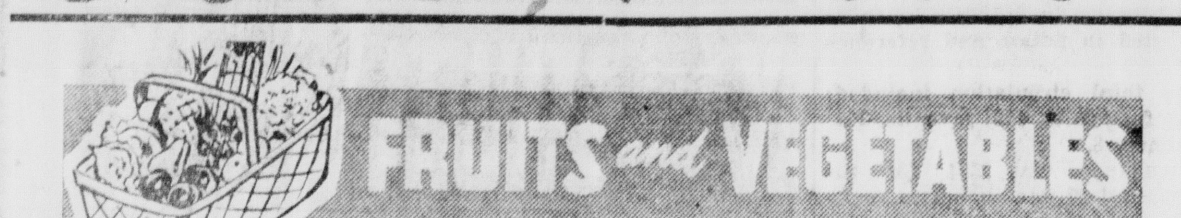

Rinse With Lotion  
Brushing is not enough. The mouth should be rinsed with a lo-

tion to remove foreign particles that have been dislodged by the bristles of the brush. Baking soda makes a most effective dentifrice.

If you are a postponer, always putting off the day when you should climb into the dentist's chair for examination, cleaning and repair of your teeth, you are not playing fair with yourself. Tartar often forms, causing discomfort and receding teeth and this growth can only be removed by instruments; the brush won't do a thing to it.

The gums should have exercise. The only way they can get it is for you to chew hard food. So eat your bread crusts, like a good girl. Eat raw vegetables like cabbage hearts, turnips, carrots; they're good for a lot of things besides doing well by the teeth and gums.

## Farm-Fresh Fruits & Vegetables at A & P!

Customers' Corner

Have you ever noticed the date stamped on each carton of A&P eggs? It is put there to protect the quality and freshness of this perishable item.

An egg that is Grade A when it is inspected and packed could become Grade B or C by the time you buy it if it has been improperly or slowly handled.

We don't want that ever to happen to an A&P egg. That is why we put the date when the eggs are graded on each carton. Eggs not sold within a few days of that date are removed from sale even though they are still of good quality.

If you should ever find that any of our egg cartons bear old dates or that any eggs fail to live up to our high quality standards, please tell us about it. Please write:

## "Rose Marie" Will Be Included In "Circus"

LAMBERTVILLE, N. J., Aug. 11— "Rose Marie", one of the most popular musicals ever written, will be played by St. John Terrell's Music Circus, here, August 16th through 21st, with Wilbur Evans and Susanna Foster in the leading roles, supported by "Johnny" Call.

For perhaps the first time in a production of this gay and sentimental perennial, the classic "Indian Love Call" scene will be sung literally from the mountainside that stage directions indicate. Instead of the usual papier mache cliff, Miss Foster will sing from an actual rocky ridge of the Woodward Tract outside the arena theatre that is located beneath a large canvas top hundreds of feet above the Delaware River.

Special acoustical effects for the production have been arranged. One will involve a large tom-tom upon which six girls of the Thomas Canon ballet, bedecked in bells, will execute an Indian dance. The traditional chorus dancing of "Rose Marie" has been modernized by Mr. Cannon for the Music Circus presentation and restyled to meet the revolutionary requirements of the oval stage around which the audience is seated in a complete circle of individual chairs.

Robert Zeller, popular young conductor of the Music Circus series, continues as musical director of the arena theater's seventh presentation. The original ten-week season of musicals and operettas has been increased to 11. The cast comprises 40 voices and dancers.

Never before do so many owe so much to those little Want Ads.

## CHANNEL HOPEFUL HELPS YOUNGSTERS LAUNCH BOAT

PRECEDING HER regular morning swim, Shirley May France, 16, of Somerset, Mass., helps a group of youngsters at Dover, Eng., get their craft into the water for a holiday boat ride. When the boat was well off shore, Shirley swam alongside as she worked out for her attempt to swim the English Channel. (International)

### ANDALUSIA

Mr. and Mrs. Charles Lott, Mr. and Mrs. E. W. Dilks and children, Dorothy and James, returned to their Bristol Pike home yesterday following their motor trip to parts of the New England states and southern Canada. They visited Niagara Falls, N. Y.; Quebec, Toronto, Montreal, Canada, and took a boat trip up the St. Lawrence River, around the Thousand Islands. On their homeward trip they stopped at the state capital, Harrisburg.

### Receives National Award For Rescue at Eddington

PHILADELPHIA, Aug. 11—A Kensington youth, Francis G. McGuire, 17-year-old Philadelphia Sea Scout and Marine Corps Reservist, received the Popsicle National Youth Award yesterday afternoon at a luncheon in the Warwick Hotel. He was honored for his heroic rescue of an unidentified boy, about 6, from the Delaware River at Eddington on June 26th.

His selection as the outstanding youth in the Philadelphia metropolitan area makes him eligible to compete for one of two four-year, expense-paid scholarships to Syracuse University. The scholarships will be awarded to those selected in a nation-wide competition.

Mayor Bernard Samuel, who officiated at the ceremonies, voiced praise for the youth and his mother. The Mayor presented McGuire with a gold medal, a \$100 savings bond, a citation from Rob Feller, of the Cleveland Indians, who heads the national committee, and a baseball autographed by the star pitcher.

### SUNDAY DINNER Suggestions

SALADS and the countless methods of preparing them provide one of the more interesting chapters in the wide range of cooking. Although popular the year 'round, thanks to modern distribution methods which make fresh produce available at any time of the year, they achieve their greatest popularity during the warm weather months.

At one time salads were confined to a few raw herbs, but today they cover a wide variety of foods and, so long as it includes at least one fresh fruit or vegetable, the average salad fully qualifies as a prime source of nutrition. However, in order to ease the task of the amateur salad maker, the A & P Service for Homemakers urges that certain basic rules be observed.

It is important to bear in mind that salads are composed of two parts—a green base combined with a substantial portion of meat, shell-fish, poultry, fruit or another vegetable.

The green base is particularly important, for it enables cooks to comply with the nutritionists' claim that "we must eat some raw food every day" for good health. Lettuce is by all means the most popular item in this respect, but watercress, chicory, endive, escarole, cucumbers, cabbage or celery are also welcome variations. All these greens will provide good sources of vitamins B1 and G as well as being tasty and economical. Parsley, even a few sprigs, not only adds eye appeal to the salad but vitamins and minerals as well, for this green is a fine source of vitamins A, G and iron.

For an appetizing Sunday dinner try serving a crabmeat salad with chunks of crabmeat, cold canned asparagus, olives, sliced tomatoes, dressing on the side and carrot curls, plus a dessert of ice cream cake and iced beverage.

### Discover Fine Old Pine Boards In A Bakery

DOYLESTOWN, Aug. 11—A quantity of wide, knotting pine boards has been discovered as renovations were carried out at the Fryer bakery on East State street. The boards were topped by a newspaper dated 1852.

The beautiful, unstained boards, which were found in the attic, totaled about 400 board feet and also had the name of James Cleaver scrawled on one of them.

Approximately half of the wood found has been used as a wall at the rear of the shop, which has been used as a bakery since 1842, according to records in the Court House here. "It's possible, too," Mr. Fryer said, "that it might have been a bakery even long before that."

An old brick oven, just behind the shop, which is also being removed, at one time held 280 loaves of bread. A modern oven has been

FORT RILEY, Kans.—(INS)—Sgt. Burel H. Blake of Los Angeles has re-enlisted in the Army for a hitch with the Far East Command after 13 years in the Fort Riley photo section. He estimates he has taken 250,000 photographs while at Riley.

NEWPORT BEACH, Cal.—(INS)—The "Golden Library" of the Mayas is the object of the latest expedition of Dana Lamb and his wife, Ginger. It is believed only three gold-inscribed pages of the Mayan library are still in existence.

**Peace At Last From PERSISTENT ITCH!**

No wonder thousands beset by itchy torment bless the day they changed to Resinol. Here's quick action from first moment—a blissful sense of peace that lasts and lasts, thanks to 6 active soothing agents in a lanolin base that stays on. Don't be content with anything less effective than Resinol Ointment.

## MANHATTAN AND LEEDOM'S WIN LEAGUE GAMES

Manhattan and Leedom's won their games of the Bristol Industrial League last evening. The Manhattan team triumphed over Fleetwings, 3-1, on the Hunter-Wilson diamond while Leedom's registered a 4-2 win over Rohm & Haas on the latter's field.

The first-place Fleetwing team was held to five bingles by Tony Conoline while the soap-workers tabbed the same number of hits off Paul Paoletta. Conoline passed two batters while Paoletta gave up four free tickets.

Manhattan won the game in the second when with Kratz and Pierandozzi on base, Crohe smashed a long triple to score both runners and then score himself on Phil Valpioni's long fly.

Dave Ludwig's pitching and work at the bat gave the rug-makers their win over Rohm & Haas. Ludwig permitted the losers four hits while with the stick he had two out of three. After Rohm & Haas scored a pair of runs in the first, Ludwig held them scoreless the remainder of the game.

"Toby" Oriola handled himself well in the field for the losing combination. He set up two twin-killings and handled four other chances.

## YOUTH LEAGUE TO START SEMI-FINALS

The semi-finals of the Bristol Youth League between Croydon and Newportville will get under way tomorrow evening at Croydon, starting at six o'clock. The entire series will be played on the Croydon diamond with the second game scheduled for Sunday. The winner of this series will play Bristol Terrace for the title.

The manager of the Newportville team, Herman Steubing, and a representative of the Croydon team, William Struble, and officials of the league met last night in the Diamond Sporting Goods Store, Mill street.

## JEFFERSON A. C. WINS EASILY OVER ST. ANN'S

Jefferson A. C. smothered St. Ann's A. A. last evening in a Bristol Softball League game on Memorial Park field. The triumph put the Jefferson team closer to third position in the circuit.

The winners collected 17 runs on 16 hits, including a home run from the bat of "Johnny" Ciambella to make the final score read: Jefferson, 17; St. Ann's, 1.

While the winners were knocking the kopak ball all over the lot, the "Saints" were having difficulty in attempting to hit Vito Marseglia. When "Steve" Monachello lined a hit into center in the fourth, it was the first St. Ann's hit in 11 innings. St. Ann's made but three hits off Marseglia, Monachello's hit, a double by Steve Masne and a single by Ernie Pinelli.

The Jefferson team fattened their batting averages on the hurling of "Chick" Cicanti. "Vic" Cauti had four for four and both Steve Ciotti and Ed Hunter had three out of five.

The Jefferson club scored eight runs on three hits, three walks, and three errors in the third and tabbed seven more on six hits, two errors, and a walk in the fourth.

In the other scheduled Suburban Softball League game, Fleetwing Estates forfeited to Second Ward on Leedom's field.

## Merchants Ask That Repairs Be Speeded

Charge that the Highway Department has not sent enough men to do the job. The businessmen are also aroused because parking is prohibited throughout the whole three-block stretch although the men are working on one section of the street at a time. They feel that cars could be allowed to park at one end of the stretch while the other end is being repaired.

Business has been so bad in the shopping center lately that one place closed its doors for a few days.

The manager of the super market reported his business has dropped 20 percent since the repair work started. "Customers ride around the block a couple of times and when they see they can't park near the market they just ride on," he declared. He expressed sympathy for the smaller stores in the neighborhood, pointing out "a large concern like ours can take a loss like this but for the little stores it's ruinous." Other store owners had the same story.

Contacted at Ardmore, S. C. Weikert, district maintenance engineer of the Pennsylvania Highway De-

partment, said the entire repaving job will be completed by August 20. He denied that the project is behind schedule, and pointed out that drilling and patching the concrete lanes of the street is unavoidably a long-drawn-out process.

## HULMEVILLE

Eleven members were in attendance at the business meeting of the Ladies Auxiliary, held in William Penn Fire Co. station, Monday evening. Mrs. William Caylor was the presiding officer, hostesses being Mrs. William Hill and Mrs. Edith Spickler. Games were enjoyed later.

Constantine Pelikan, brother of Mrs. Walter Soby, together with Mrs. Pelikan, has arrived in this country from Europe. Mr. Pelikan will come to Hulmeville on Monday to visit Mr. and Mrs. Soby for a week. It has been 17 years since Mrs. Soby saw her brother. Natives of Austria, Mr. and Mrs. Pelikan were in a Russian concentration camp for a time during the war, and more recently have been living in Germany. A recent guest at the Soby home was Mrs. Charles Gardner, of Moorestown, N. J.

Work has been started on installation of some curbs and gutters in the Reetz and Lincoln avenue areas here, where roadways are soon to be paved, contracts having been awarded one contractor by two Reetz avenue business firms.

Mrs. Charles Thorpe, Sr., has concluded a week's visit to her sister at Union City, N. J., and to relatives in East Paterson, N. J. The localite also visited at New York, N. Y.

## NEWS OF INTEREST TO PA. FARMERS

By John Harris

(INS Penna. Farm Editor)

HARRISBURG, Aug. 11.—(INS)—The trend in Pennsylvania today is toward fewer farms and on-the-spot operators.

Ten years ago, the Pennsylvania production and marketing administration reported, there were a total of approximately 145,000 farms worked on a full-time basis, while at present there are about 135,240 farms, with a continuing downward trend.

The dropping off is due mainly to "a continual combination of farms." Farms, experts say, are getting bigger.

The PMA said the trend is toward fewer farmers but more people living on farms.

Latest figures on farm population indicate about 730,877 people live and work on Pennsylvania farms. The 1940 census put the farm population figure at 914,799 in the State, but the census included in addition to workers, all others living on farms, accounting for the much greater figure.

The national trend, according to the U. S. Department of Agriculture, also is on the decline. In January, 1949, more than 27,776,000 people lived and worked the nation's farms. That's a nine per cent drop, or about 2,771,000 less, from the 1940 census of 30,546,911 persons.

The decline, however, has not been continuous, the department reported in January, 1949, with about 25 million in January 1945.

In the four years that followed there was an increase of about two and one half million, or 10 per cent, in the farm population. This in-

## EXPECT VERY LARGE CROP OF PEACHES DURING AUGUST

By Frances Vannoy

Home Economics Extension Rep. A large peach crop is predicted for Pennsylvania this year. Early varieties are on the market already. The quantity of peaches will increase soon, the heaviest crop being expected during the last week in August.

Homemakers are advised to save some jars and freezer space for this delicious fruit. For a variety of peach products which any family will welcome next winter, canned peaches, halved or sliced for making desserts and salads are suggested. Spiced peaches, or rich peach conserve are delicacies for company meals. Peach jam is a treat on toast, biscuits, or hot cakes. Homemakers who have freezer space will find that frozen peaches make an interesting change from other desserts.

Homemakers are urged to include fresh peaches in meals as long as the season lasts. Plan on a variety of peach desserts to take advantage of this predicted bumper crop.

Elbertas are the variety of peaches most commonly grown in Pennsylvania. This variety is recommended for both canning and freezing. Expect them to be plentiful the last part of August, since they are a later variety. Hale and South Haven are good varieties which may be plentiful and are good for canning and freezing.

Want Ads have no holiday—they get results any day.

## SEE BASEBALL FILMS

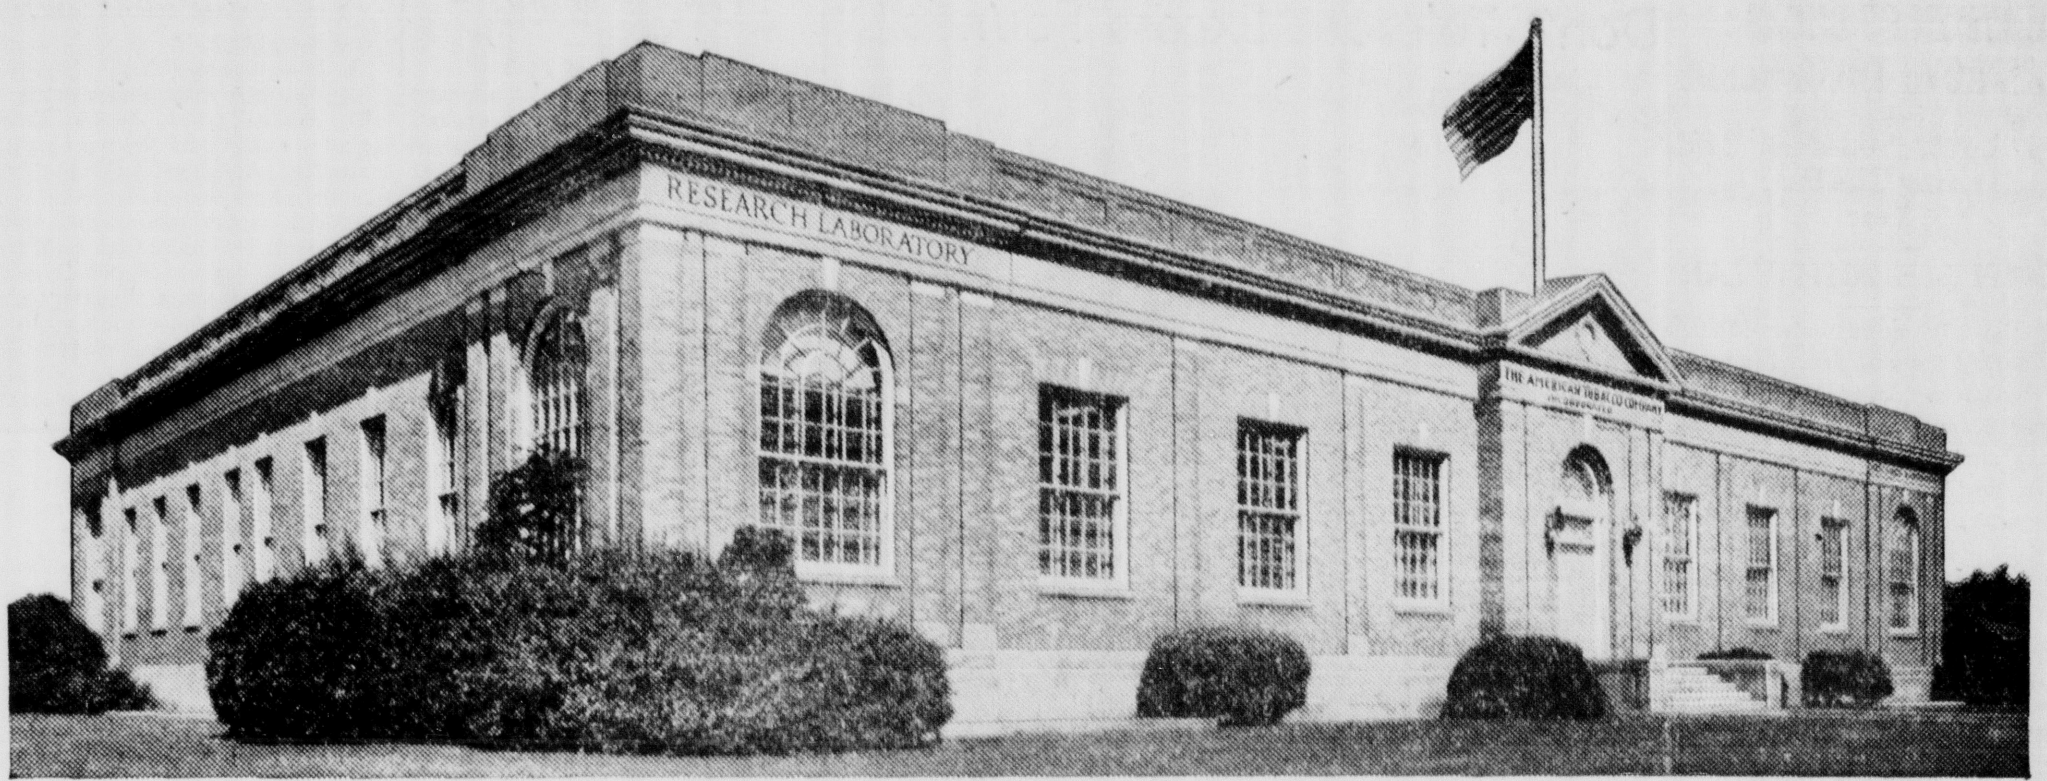

ANDALUSIA, Aug. 11.—Andalusia Lions Club met Thursday at Becker Farms Inn with Francis J. Rossbauer presiding. The invocation was by Raymond Vickers. Education committee chairman William R. Sterner spoke of the attendance contest. Richard F. Brackin told of the Booker T. Washington Memorial Group trying to secure funds for training schools for the colored people by selling Booker T. Washington "half dollar pieces" for \$1. Several members purchased these. Vincent A. Cooke, program chairman, presented motion pictures of the 1948 world series baseball. These pictures were secured through courtesy of James Flood.

## ANDALUSIA

Mr. and Mrs. Harold Weinland and children, Marion and "Joey," are spending some time in the Pocono Mountains.

Mr. and Mrs. Samuel Brackin enjoyed the week-end at Cape May, N. J.

## Here's another big reason why THERE IS NO FINER CIGARETTE IN THE WORLD TODAY THAN LUCKY STRIKE

America's finest cigarette laboratory assures you that—

1. Lucky Strike always means fine tobacco!
2. Lucky Strike is always a finer cigarette!

YOU SEE HERE the largest and most complete laboratory of its kind operated by any cigarette manufacturer in America.

For many years Lucky Strike scientists have delved into cigarette research on an extensive scale. Out of this has grown an elaborate system of quality control. Every step in the making of Luckies—from before the tobacco is bought until the finished cigarette reaches you—comes under the laboratory's watchful eye.

As you read this, a constant stream of tobacco samples from every tobacco-growing area . . . is flowing into the laboratory in Richmond, Virginia. These samples are scientifically analyzed, and reports of their quality go to the men who buy at auction for the makers of Lucky Strike.

Armed with this confidential, scientific information—and their own sound judgment—these men go after finer tobacco. This fine tobacco—together with scientifically controlled manufacturing methods—is your assurance that there is no finer cigarette in the world today than Lucky Strike!

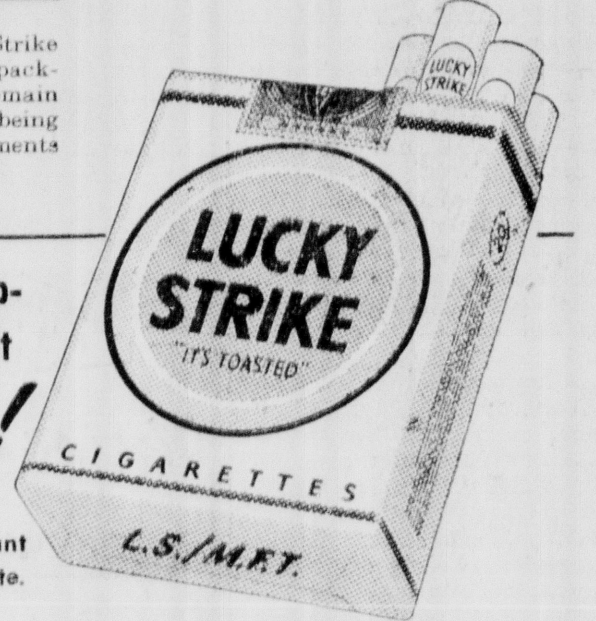

Everything's under control! Lucky Strike scientists supervise intricate tests daily to guarantee that the weight, size, density and firmness of your Lucky Strike are always right. Such details are rigidly controlled to guarantee you a truly finer cigarette.

Luckies stays fresh. After Lucky Strike cigarettes have been made and then packaged, they must be tightly sealed to remain fresh. Here you see the cellophane seal being tested for air-tightness. Such instruments are in use at every plant.

Testing tobacco. Samples from every tobacco-growing area are analyzed before and after purchase. These extensive scientific analyses, along with the expert judgment of Lucky Strike buyers, assure you that the tobacco in Luckies is fine.

# DAIRYMEN OF BUCKS IMPROVE THEIR HERDS

166 Low Producers Sold  
During The Past  
Year

## COMPLETE 26TH YEAR

Of the 3,767 cows under official test during the past year, 166 were sold by Bucks County dairymen due to low production, it is announced in the annual report of Bucks Co. Dairy Herd Improvement Ass'n. The association has completed its 26th year.

One hundred and thirteen whole-year herds were under test. In addition, three herds with a total of 77 cows were in the association part of the year.

The average number of cows under test was 2,938.08, and each produced an average of 8,699 pounds of milk and 372.9 pounds of butterfat.

One hundred and three herds with an average of five or more cows exceeded an average of 300 pounds of butterfat. The registered Holstein herd of Isaac Yates, Newtown, took the lead for milk and butterfat production. His 18 cows averaged 14,890 pounds of milk and 535.7 pounds of butterfat.

Taking second place for average milk production was the 25-cow herd of F. H. Goodyear, Danboro. His Holstein herd averaged 13,528 pounds of milk. Third place in average milk production was taken by the 35-cow registered Holstein herd of Joseph W. Hallowell and son, Ivyland. The average yield per cow in this herd was 13,121 pounds.

Willard W. Wright, Yardley, is the owner of a 37-cow herd. The average milk yield per cow in this herd to take fourth place was 12,746 pounds. Fifth place for average milk production per cow went to the 21-cow registered Holstein herd of Georges M. Hunsberger, Plumsteadville. The average milk yield per cow in the herd was 12,395 pounds.

Taking second place for average butterfat yield was the eight-cow registered Guernsey herd of Mrs. H. D. Paxon, Holicong. Cows on this property averaged 512.4 pounds of butterfat.

Third place for average butterfat production was credited to the registered Ayrshire herd on Nesheim Farms. The ten cows in this herd produced an average of 487.4 pounds of butterfat. George M. Hunsberger, Plumsteadville, is the owner of a 22-cow herd of registered Holsteins, which produced an average of 480.3 pounds of butterfat to take fourth place. Fifth place went to the registered and grade Guernsey herd of John N. Matthews, Gardenville. These cows yielded an average of 473.7 pounds of butterfat.

Russell E. Smith, Wycombe, is the owner of a 16-year old registered Guernsey cow that tops the list for life time and butterfat production. This animal has produced 120,386 pounds of milk and 6,516.3 pounds of butterfat.

Taking first place for life time milk production is a registered Holstein cow belonging to Isaac S. Gross, Plumsteadville. Twelve year old, this cow is credited with the production of 149,235 pounds of milk.

Ranking in second place for life-time butterfat production is a 14-year-old registered Guernsey belonging to Alvin Worthington, New Hope. This cow yielded 6,500.4 pounds of butterfat. Second place for milk production over a life span is a registered Holstein on the George School Farms. She is credited with 136,974 pounds of milk.

The cow establishing the highest record for butterfat yield the past year is a registered Guernsey belonging to John N. Matthews. This cow is credited with 771.1 pounds of butterfat. This cow also ranked

# Don't Tolerate Excess Pounds

Courtesy 20th Century Fox  
If you have a nice figure, keep it that way with regular exercise and a well-balanced diet, says Screen Star Jean Peters. But avoid freak diets, she adds.

By HELEN FOLLETT  
TRUNDLING around more pounds than are needed to create the pleasing silhouette is like holding down a job. It drains the heavy-weight of energy. The woman who has a will of her own and wills to use it, does not tolerate excess adipose baggage. She knows that overweight is a health menace.  
Because some hare-brained women have gone in for freak diets and suffered impairment of vitality is no reason why the sensible woman should not delete her over curves and stop crushing the bath room scales. The first step is to consult the family physician. There will be a physical check-up. The doctor realizes that fat tucked away interferes with the functioning of the inner organs; he will encourage his patient to seek normal weight and measurements.  
**Put on Weight**  
He will offer a diet that means that fat cells will no longer be fed; that in course of time, they will go

into a state of dissolution. Food elements that put on weight are fats, sweets and starches, so they are cut down to the limit. Less cream in the coffee, no sugar in any form, no pastries, small servings of cereals now and then.  
One can have lean meats, sea food, poultry, buttermilk, fruits and fruit juices, vegetables, especially green salads, cottage cheese. Sensible methods of reducing do not mean that one is going to be half starved all the time or that one must exercise to the point of fatigue. A little exercise is helpful, especially bending exercises that do not tire the candidate for slenderness.  
To slim down the mid-section: stand tall, chest up, abdomen held in. Send the arms out at the sides on a line with the shoulders. Turn from side to side, as far back as you can, keeping the legs rigid. These movements cause the body to pivot at the waist line. By tightening up slack muscles, fat cells in that locality will vanish.

fourth in milk production with 17,687 pounds to her credit.  
Rating first for milk production is a registered Holstein in the herd

of National Agricultural College. During the year she produced 18,796 pounds of milk and 614.2 pounds of butterfat.

### LITTLE SLICES

**Glamour Ground Beef Dish**  
About face! That's what happens to meat pie which has a ground meat crust and a gay colored vegetable filling. The results are not only nice to look at, but the filling of sweet yellow corn and bright red tomatoes makes the meaty crust especially juicy and tender. It's simple to make and a novel idea for entertaining as well as a delicious dish for your family.

**Meat Pie, New Style**  
Crust  
¾ pound ground beef  
1 cup soft bread crumbs  
½ cup milk  
1 egg  
1 teaspoon salt  
1½ teaspoon Worcestershire sauce  
2 tablespoons minced onion  
Filling  
1½ cups drained whole kernel corn

1 cup drained canned tomatoes  
½ teaspoon salt  
¼ teaspoon basil  
Butter or margarine  
To make "crust," soak bread crumbs in milk and beaten egg for 5 minutes. Add beef, salt, Worcestershire sauce, and onion; mix thoroughly. Line the bottom and sides of a 9-inch pie plate with mixture. Bake at 350 degrees F. for 10 minutes. Meanwhile mix together corn and tomatoes and drain off any excess liquid. Add seasonings. Remove shell from oven, add filling, and dot with butter or margarine. Continue baking for 25 minutes. Cut in pie shaped wedges for serving. Garnish with parsley.

**Two-tone Hamburger Patties**  
When you have part of a can of luncheon meat left over, you can grind or chop it fine and mix with an equal amount of ground beef. Season with grated onion and a little salt and pepper. For a dress-up

touch, serve the two-tone patties on toasted buns with a slice of fried pineapple. To give a real Hawaiian accent to this interesting hamburger, spoon a little catsup mixed with soy sauce over the burgers after one side has been browned. Serve as above. (Patties also may be made entirely of ground beef.)

**Cranberry Franks**  
For easy supper meals on balmy summer evenings, serve plump, juicy frankfurters. For a different serving note, pop the franks into toasted buns and top with tangy cranberry-horseradish sauce. Heat the franks in water or broil or pan-fry before popping into the toasted buns. It's a pretty sight when these are arranged on a platter around a dish of dashing red sauce. For 8 franks, combine 3 tablespoons of horseradish with 1 cup of jellied cranberry sauce which has been crushed with a fork. Heat this or serve cold with the franks. Don't forget to make good use of your cool porch or backyard for dining quarters. Serve the supper buffet style and include in the menu cole slaw, potato chips, and an assorted fruit bowl with wedges of cheese for dessert.

## WASHINGTON WEEK

By Charles L. Egenroad

WASHINGTON, D. C., August 11 — Let's we forget!  
 "Give us a Democrat Congress and we will take action against monopoly."  
 President Truman promised it on September 30, 1948, in Louisville, Ky. The Eighty-First Congress, after seven months, has taken no action whatever on anti-monopoly legislation. There wasn't even a Small Business Committee set up in the Senate until recently.

On October 29, 1948, in Yonkers, N. Y., Mr. Truman thundered: "If you want to repeal the Taft-Hartley Act, then you had better go to the polls next Tuesday and vote the Democrat ticket straight."

A Democrat Senate has refused to repeal the act and the Democrat House hasn't yet taken up labor legislation since repeal failed months ago.

"We favor legislation assuring that the workers of our Nation receive equal pay for equal work regardless of sex." (Democrat platform.)

No action in either House on such legislation.

"We intend to go forward with the development of our natural resources, by such means as soil conservation, reforestation, the utilization of our water resources and the development of great waterways like the St. Lawrence Seaway." (President Truman, October 12, 1948, Superior, Wis.)

So far, no action yet in either House on St. Lawrence Seaway or Columbia Valley development.

"With a Democrat President and a Democrat Congress . . . we will be unified for the expansion of social security, the improvement of our educational system and the expansion of medical aid." (President Truman, October 13, 1948, St. Paul, Minn.)

Social Security expansion is still in a House Committee and no action has been taken in the Senate.

A Federal-aid-to-education bill passed the Senate back in May, but is hopelessly bogged down in the House.

The socialized medicine, or health program, is still languishing in Committees.

"Our determination to attain the goal of equal rights and equal opportunity must be resolute and unwavering. For my part, I intend to keep moving toward this goal with every ounce of strength and determination I have." (President Truman, October 29, 1948, Harlem, N. Y.)

An anti-lynching bill is in a House Committee; and an anti-poll tax bill passed the House but administration leaders in the Senate have refused to put it to a vote. An anti-segregation bill passed the House April 4, but there has been no action in the Senate. Finally a fair employment practices bill is tied up in the House Committee.

"We need controls on inflation. A Democrat Congress will give us these controls." (President Truman, October 23, 1948, Wilkes-Barre, Pa.)

Al, yes, let's we forget!

## Your Commentator

By Jim Larkin

"Lives of great men all remind us  
 We can make our lives sublime"—  
 But most of us need behind us  
 A strong kick from time to time.

I wonder what ails most men  
 of my acquaintance. No doubt  
 they are supposed to be attracted  
 by the results, but we reaction-

es cringe and shudder at fem-  
 inine fingernails painted in all de-  
 grees of red to almost black. We  
 fellows strangely prefer pinkies  
 in the original pink; digits in Na-  
 ture's decor.

## DEFINITIONS IN RHYME

Because the word means lying  
 and deceit, try to be free  
 of that unwanted weakness that  
 is called MENDACITY.

After bills are paid, the money I  
 count shows PAUCITY—smallness of  
 amount.

You should have a first-aid kit  
 in your car—and here's hoping  
 that you will not need to use it.  
 A flashlight also is a must.

Two of this month's historical  
 items are certain to bring only a  
 disinterested "Yeah?" from pre-  
 sent-day students: In 1899 the  
 Sultan of Sulu yielded to the U.  
 S. In 1910 Glenn Curtiss flew  
 60 miles in 1 hour and 18 min-  
 utes.

If your vacation includes boat-  
 ing, remember not to stand in the  
 boat. If you should fall over-  
 board, keep calm. Climb back  
 into the boat at the stern. If  
 you can't get in, hang on until  
 help comes; most boats will not  
 sink.

How can a loving and young front-  
 porch pair  
 ever hope a real case to be  
 hatching  
 When interrupted by such fre-  
 quent  
 need  
 of the shooing and swatting and  
 scratching?  
 Tallies don't tell of the many  
 romances  
 that suffer cruel permanent  
 vetoes.  
 As a result of the constant attack of  
 the summer's worst pest—these  
 Mosquitoes.

Referring to the verse above,  
 I possess a strange immunity.  
 Mosquitoes never bite and seldom  
 approach me. Even in the depths  
 of Wisconsin forests, the clouds  
 of the pests (to others) open a  
 path for me and then power-  
 dive on my suffering companions.  
 Whether this is kindly considera-  
 tion or ostracism, is a mystery—  
 but it's comfortable.

If you must use sun glasses,  
 use good ones. Glasses of inferior  
 quality can cause impairment  
 of vision and view distortion, re-  
 sulting in accidents. Even the  
 best of such glasses should be  
 used sparingly.

The alleged "weaker sex" is  
 growing either tougher or more  
 stoical. The girl who in winter  
 had so much trouble smoothing  
 her long "drawers" under her  
 long stockings, now has a grand-  
 daughter who wears bobby-sox  
 and "Minikins—the Smart Mini  
 mum in Undies."

On your summer trip do not  
 forget that careless driving and  
 excessive speed have been lead-  
 ing causes of demolished cars—  
 and their occupants.

 A VARIETY OF LOT SIZES**

DESIGN NO. 4139

• This new basementless home is an excellent example  
 of good architectural design...the "thinking ahead"  
 in planning a home. The house as illustrated, includ-  
 ing breezeway and garage, requires a rather wide lot.  
 However, if your homesite is narrow, you can still  
 adapt the design to your lot and enjoy this modern  
 compact home. The accompanying diagrams show  
 suggestions for other possible plot arrangements.

There are scores of beautiful home designs in our  
 Weyerhaeuser 4-Square Home Building Service. Come  
 in and study all of these homes. They provide a  
 wide choice of styles and sizes. One of these designs  
 is sure to fit your family needs and satisfy your  
 preference.

### THIRD WARD LOSES TO NEWPORTVILLE; OUT OF PLAYOFFS

The Third Ward Eagles were eliminated from the playoffs of the Bristol Youth League as it lost to the Newportville Redskins, 7-5, last evening on the Township field.

Only the wildness of Dale Proveaux made the score as close as it ended. For with the stick, the Warders were helpless. The only hit made off the delivery of Proveaux was a single by Wren in the fourth inning. The Redskins' twirler had 10 strikeouts.

Bob Jones and Ed Oliver led the Newportville club with the bludgeon, each having a double and single. The winners had 12 hits off George Ireland.

### CROYDON DEFEATS BRISTOL TOWNSHIP

CROYDON, Aug. 11 — Croydon A. C. defeated Bristol Township 9-5, last evening to enter the semi-finals of the Bristol Youth Baseball League. Croydon will now meet Newportville Redskins in a series of three games with the winner of this series meeting Bristol Terrace for the playoff championship.

Lane Conn hurled the Croydon team to the triumph, limiting Township to five hits. Croydon had 12 hits in the contest with Joe Dominick setting the pace. Dominick had four hits in four times up. Struble also had a nice evening with three out of four.

It was a well-played game until the last half of the fifth. With the score tied at 4-4, Croydon shoved five tallies across to clinch the verdict. The quintet of runs were made on singles by McCauley, Hedrick,

## "Battle for China:" DISCUSSES LINK BETWEEN CHINESE "REDS" AND RUSSIA

Such Link Strongly Condemned In U. S. White Paper In China

### THEORY EXPLODED

Mao Tze-Tung Explodes Idea Chinese "Reds" Are "Agrarian Reformers"

This is the fourth article of a series by veteran far eastern reporter Howard Handelman on the military and political battle for China. In today's article Handelman discusses the link between Chinese Communists and Soviet Russia, which was so strongly condemned in the U. S. white paper on China, issued last Friday.

By Howard Handelman  
(Far Eastern Director, INS)

TAIPEI, Aug. 11—(INS)—

Many persons once believed that Mao Tze-Tung and his Chinese Communists were "agrarian reformers" who would not adhere to the line of international communism or the desires of Moscow.

Mao himself exploded that idea last month when he discussed the question of whether victory was possible for his communist forces alone, without Soviet help. He said flatly it was not, in these words:

"In the era when imperialism exists, it is impossible for the true peoples revolution of any country to win its own victory without assistance in various forms from international revolutionary forces, and it also is impossible to consolidate the victory even when it is won."

"Let us think it over. If the Soviet Union did not exist, if there were no victory in the anti-Fascist Second World War, and, especially for us, no defeat of Japanese Imperialism, if the various new democratic countries of Europe did not come into being, if there were no rising struggles of the oppressed nations in the east, if there were no struggles of the masses of peoples in the United States, Britain, France, Germany, Italy, Japan and other capitalist countries against the reactionary cliques ruling over them, and if there were no sum-

### Unique Pennies Display Adds To Aid's Treasury

HULMEVILLE, Aug. 11—A "birthday" anniversary party for the Ladies Aid, Neshaminy Methodist Church, was arranged in connection with the monthly meeting Tuesday evening. Twenty-three gathered at the residence of Mrs. E. D. Atter, where Mrs. Atter and Mrs. Alfred Woolman served in the capacity of hostesses.

To mark the anniversary, members had arranged pennies in unique and attractive patterns as donations to the society. With Mrs. Albert Tomlinson serving as judge, the arrangement of pennies in the shape of a money tree, outlined by Mrs. Edward Bilger, and the beach scene planned by Mrs. Edward Van Artsdalen, were deemed worthy of the first places. Consolation prize went to Mrs. G. A. Japchen. Other attractive arrangements included a bird's nest, pirate chest, musical scores with pennies forming the notes, floral bouquets, tramp's pack, etc. The Aid benefited to the sum of \$12.11.

Mrs. Hugh B. Webster presided during business. Plans were made for a picnic for members at Hulmeville Park next Wednesday. Refreshments were served.

## At B-36 Probe

Maj. Gen. Frederick Smith Jr.

MAJOR GENERAL Frederick Smith Jr., of the Air Force is shown as he testified at the House Armed Services Committee investigation, in Washington, into the conception and development of the B-36 bomber. Gen. Smith declared that the Air Force had placed two bomber groups "on the alert" when Russia launched the recent Berlin blockade. (International)

## HERE AND THERE IN BUCKS COUNTY TOWNS

Activities of Interest To All in The Various Communities

### GLEANED BY SCRIBES

Two women were confirmed as contributing members, one resignation was noted, and action taken on another application for membership when Eagle Fire Co. of New Hope held a meeting a few nights ago.

A minstrel show is planned for Bucks Co. Playhouse early in October, with James Skillman named director.

Dr. Ross Stover, Philadelphia, extended best wishes to the Rev. Charles E. Freeman on the 30th anniversary of his pastorate of Salem Reformed Church on Sunday.

The Rev. and Mrs. Freeman went to Doylestown in 1919 when the church had a membership of about 350 and have seen the church grow to double that number with a large addition made to the assembly hall and church proper and a pipe organ installed at a cost of \$70,000.

Having graduated from the theological seminary in Lancaster in 1935, the Rev. Mr. Freeman held his first post at St. Paul's Church in Summit Hill. Going from there to Christ Reformed Church, at Shepherdstown, W. Va., he met Miss Alice Billmyer, whom he married in 1944.

Following this he accepted a call

## A SUMMARY OF THE NEWS

Former President Herbert Hoover observed his 75th birthday anniversary yesterday with an address at Stanford University warning that pressure groups and spendthrift policies were pushing the country at high speed down the "back road" to collectivism. Pointing out that the average workman labored a week in each month to pay his taxes, Mr. Hoover condemned more Government borrowing and urged a cut in Government spending and waste.

President Truman gave a new impetus to strengthening and streamlining the civil and military control of the nation's military establishment as he signed the National Security Bill providing for a Department of Defense and a chairman for the Joint Chiefs of Staff.

The Senate committee investigating "5 percenters" learned that the former owners of the Lido Beach Hotel, which was bought by the Navy in 1945 for \$1,300,000, obtained repossession of it for \$635,000 with the aid of James V. Hunt. Mr. Hunt received \$71,000 in fees.

The House Armed Services Committee, inquiring into the development of bombers, was told by Major General Frederick H. Smith, Air Force requirements chief, that a board of senior Air Force officers

## 728 Books Circulated By Library In July

A total of 728 of the books were taken from the shelves of Bristol Free Library during July by those interested in fiction and reference works.

The total circulation included: Books for adults, 458; juvenile, 262; reference, 8.

Attendance was 591 for the month, and 27 new members registered.

## KITCHEN GUTTED, DOG IS BURNED TO DEATH

Fire of Undetermined Origin Occurs at Cornwells Double Dwelling

### 3 COMPANIES RESPOND

CORNWELLS HEIGHTS, Aug. 11—Fire of undetermined origin gutted one rear kitchen of a 2½-story frame, double dwelling, on Station avenue, at 12:05 this morning. Mr. and Mrs. Charles T. Kerber lived on one side of the structure, and Mr. and Mrs. Ira Shaffer on the other.

Considerable damage was done on the Kerber side, Mr. and Mrs. Kerber were not at home at the time. Damage on the Shaffer side was due to smoke and water.

A pet dog of the Kerber family was burned to death, and another dog is reported missing.

Cornwells Fire Co., No. 1, Union Co., and Eddington Co. responded to the alarm.

J. Alfred Rigby, Sr., who lives nearby, turned in the alarm.

About 1½ years ago the same building had an overheated chimney fire. Mr. and Mrs. Henry Kerber, now of Andalusia, parents of Charles Kerber, were occupants at that time.

## "Freedom Party" Given To Mr. Thomas Childs

A "freedom party" was tendered Thomas Childs, by his wife on the lawn of the home of Joseph Mills, Old Rodgers road, Saturday evening, in honor of his 21st birthday anniversary.

Those present: Roland Willard, Huntingdon Valley; Mr. and Mrs. George Hunter, of Bristol; Miss Dolores Schoell, Mr. and Mrs. Edward Freer, Mr. and Mrs. John Schoell, Stacy Childs, Joseph Mills, Joseph Childs, Charles Mucci, Richard Schwartz, Bristol township; Mr. and Mrs. Joseph Tillo, Bridgewater; Mr. and Mrs. Joseph Donnelly, Eddington; Mr. and Mrs. Clifford Brass and Harold Brass, of Holland; Charles Fleischauer, of Wissinoming.

Mr. Childs received gifts.

### GIRL FOR BEALS

Mr. and Mrs. Emmett R. Beal, of Bristol township, are parents of a daughter born this morning in Nazareth Hospital, Phila. The baby weighs 9 lbs., 1 oz. The Beals have one other child, George Lefty.

### HURT IN DIVE

Diving into Silver Lake last evening, Thomas Cullen, Bridgewater, struck his head. A local physician took nine stitches in the wound.

### A DAY AT "PENNSBURY"

TULLYTOWN, Aug. 11—Members of the Ladies Bible Class of Bethel Lutheran Church, Philadelphia, spent Saturday at Pennsbury Manor.

## COOL SWIM ON TAP AT ALL TIMES

WITH THE REST of New York City sweltering in the mid-ninety heat, six-months-old Charles Vixthum, Staten Island, N. Y., is the water in his own private swimming pool. Maybe he can't swim around much, but the kitchen sink appears made to order for Charlie. (International)

## BEGONIAS ARE TO BE FEATURE OF PROGRAM

Guest Participants Scheduled For Trevoze Ass'n Session Tuesday

### PLANT DISEASE TALK

TREVOZE, Aug. 11—With three members in the "cast," "An Evening with Begonias" will be in order at Trevoze community house, next Tuesday, August 16th. The Margaret C. Greenbaum Branch of the A. B. S. will present the skit, participants being Mrs. Elsa Fort, Merchantville, N. J.; Mrs. Frank H. Mather, Hathboro; and Mrs. George McNabb, Buckingham. The begonias mentioned in the skit will be on exhibition with name and history attached. It is stated.

Members are also invited to take their best begonias, for display of either blooms or foliage.

A short talk on plant diseases and insect pests and means of combating same will be given by Louis J. McConnell, of Holland. Mr. McConnell is U. S. plant inspector for the Port of Philadelphia, and the title of his talk will be "Conservation Begins at Home."

President of the association, Mr. Tuckey, and Mrs. Tuckey will show pictures taken on their recent trip to Cuba. "Background" music will be provided.

Progress is reported in plans for the fall flower show of September 16th and 17th. A meeting of all show chairmen will take place August 16th, at 7:30, preceding the regular meeting.

Mrs. John D. Davis, chairman of the schedule committee, announces the following classes for next Tuesday. Specimens—Class 1, three stalks of gladioli; class 2, five zinnias of one variety; class 3, a vase of petunias; class 4, container of any other flower; Arrangements—Class 5, arrangement suggesting coolness; class 6, an all-green arrangement; class 7, arrangement featuring marigolds; class 8, arrangement for dinner table to be used on terrace.

### H. W. Eastlack, P. R. R. Engineer, To Be Buried

Funeral will be held tomorrow afternoon for a former resident of this borough, namely Harry W. Eastlack. Death occurred for Mr. Eastlack on Tuesday in Frankford Hospital, Phila., he having been ill for two weeks.

The late Mr. Eastlack had been employed by the Pennsylvania Railroad for about 45 years, and was a locomotive engineer. He was a member of the Brotherhood of Locomotive Engineers.

Service will be held from his late home, 2078 E. Pacific street, Phila., at 2:30 tomorrow, with burial in George Washington Memorial Park, Phila. Friends may call this evening.

Survivors are his wife, Catherine, Phila.; two daughters and a son, Mrs. Donald Pye, Phila.; Mrs. Charles Perkins, and Alfred Eastlack, Bristol; also four grandchildren, and his father, Alfred Eastlack, of New Kensington.

### TO PAY TRIBUTE

Members of America Hose, Hook and Ladder Co., No. 2, will meet in the fire station, Mulberry and Pond streets, at 6:45 this evening, then proceed to the funeral home of John C. Black, 314 Cedar street, to pay respects to the late William H. Donnell.

### POSTPONE OPERETTA

The operetta, "The Pirates of Penzance," scheduled to be given in Bensalem Methodist social hall tomorrow evening, has been postponed until August 17th, due to the current heat wave.

### HAS OPERATION

An operation was performed upon Miss Elizabeth Cunningham, Radcliffe street, in Wills Eye Hospital, Philadelphia, last week. Miss Cunningham is still hospitalized.

## NAME H. A. McGRATH DIRECTOR OF CLUB

Kiwanians Hear Gerald Roeser Discuss Subject of "Plastics"

### DELEGATES CHOSEN

PENNDLE, Aug. 11—The Kiwanis Club of Bucks County Lincoln Highway listened to Gerald Roeser speak on the subject of Plastics at its dinner meeting held on Tuesday evening, August 9th, at the Royal Gardens, Bensalem township.

Mr. Roeser, who is primarily concerned with chemical research and consulting in the field of plastics, started in his chemistry laboratory at Fallington about a year ago. The type of work that is carried on in the laboratory is the development of new types of coatings, and wherever there are corrosive agents in industrial plants that's where attention is centered.

At present the researchers are trying to develop new types of coating for cans so that foods will not spoil; they are also trying to develop new coatings for beer cans.

Another phase of their work, according to Mr. Roeser, is to develop new materials from flexible molds. Molds are excellent for corking purposes and for patching small holes. Mr. Roeser demonstrated the flexible mold to the group.

An election was conducted to fill a vacancy on the board of directors. Harry A. McGrath was the newly elected member of the board.

Delegates were also chosen for the state convention to be held at Brentwood, near Pittsburgh, September 18th to 21st. The following were selected as delegates: President Paul Sauerbrey, Joseph Law, and A. C. Millikin. Alternates selected are: William S. Erwin, John A. A. Crowley and Frank Sodano.

The meeting was concluded with the pledge of allegiance to the flag.

### Funeral Service Planned Today For Mrs. McIntire

NEWTOWN, Aug. 11—Service has been arranged for this afternoon for Mrs. Hannah Mary McIntire, widow of William May McIntire. The funeral will be at a Doylestown mortuary, with interment being private.

Mrs. McIntire died Monday at the home of her daughter Mrs. S. F. Blenkin, Newtown township. She would have celebrated her 93rd birthday August 29. Born in Chester County, she was a music teacher for a number of years. She was a member of the Doylestown Presbyterian Church.

Surviving, in addition to her daughter, are two grandsons, two great-grandsons and a half-sister Mrs. Margaret Wertz, of Chester Springs.

### You Claim It Is Warm? Temperature Reaches 100

Did you think that it was warm yesterday afternoon at 3 o'clock? Well, if you did, you were perfectly right.

The temperature went up to the 100 mark on the thermometer at the Robm & Haas weather observatory at that hour.

The minimum temperature was 75. The percentage of relative humidity was also 75.

After the 100 mark had been reached, yesterday afternoon, the mercury began to gradually go downward. It dropped one degree at four o'clock, one more at five o'clock. It remained at 98 at six o'clock and then dropped two degrees at seven o'clock.

Has Operation

An operation was performed upon Miss Elizabeth Cunningham, Radcliffe street, in Wills Eye Hospital, Philadelphia, last week. Miss Cunningham is still hospitalized.

## Edgely Resident Has A Party for Mrs. W. Kelly

EDGELEY, Aug. 11—Mrs. Wayne Locke entertained on Tuesday evening in honor of Mrs. Walter Kelly, Bristol, who was celebrating her birthday anniversary. Among the invited guests were: Mrs. Victor Roberts, Morrisville; Mrs. Maurice Mulligan, Mrs. William Dougherty, Mrs. William Rasmussen, Bristol; Mrs. Harold Bahenburg and Mrs. Joseph Ward, Edgely.

## LAD SERIOUSLY HURT WHEN HIT BY AN AUTO

W. Minnebach, 5, of Maple Shade, Said To Have Run Into Path of Car

### X-RAYS SCHEDULED

A five-year-old boy was seriously injured when struck by an automobile on Dixon avenue, Maple Shade, yesterday afternoon at 3:30, as he is said to have run out from behind a parked car.

The injured, William Minnebach, son of Mr. and Mrs. William Minnebach, Maple avenue, Maple Shade, crushed chest, deep scalp wound four inches long, and brush burns.

According to police records, the tot is said to have run into the path of an automobile operated by Robert Hayes, 21, of Dixon avenue, who was en route to his employment.

Bucks County Rescue Squad took the boy to Nazareth Hospital, Philadelphia, where X-rays were to have been taken this morning. "Billy" is one of eight children.

Chief of Bristol township police, Joseph Seader, and state police of Langhorne barracks, investigated.

## Guest From Scotland Is Honored On Anniversary

MORRISVILLE, Aug. 11—A guest from Fort Glasgow, Scotland, Samuel Ballantyne, was tendered a garden party a few evenings ago by his sister, Mrs. Roland H. Lawson. The affair marked Mr. Ballantyne's birthday anniversary.

Those attending: Mr. and Mrs. William May, Sr. and Mrs. William May Jr. and son Billy, Mr. and Mrs. Eric Donelson and daughter Ruth, J. Watson Carver, Mrs. Walter James, Miss Sarah Smith, Mr. and Mrs. Charles Seltzer and son Charles, John Wagner, Carl Khone, George Kelly, Mr. and Mrs. Donald Salisbury and daughter Donna, Mr. and Mrs. George B. Mereson Jr. and daughter Nancy, Clyde and Craig Lawson of Morrisville; Mr. and Mrs. Clarence Williams and son "Terry" of Trenton, N. J. and Miss Margaret Williams of Canada.

## Hoover Says Taxes Cost People 61 Days' Work

PALO ALTO, Cal., Aug. 11—(INS)—In his 75th birthday address on Government spending, last night, Herbert Hoover presented the following table showing the number of days the average working citizen works to pay taxes:

Obligations from former wars ..... 11  
Defense and cold war ..... 24  
Other Federal expenditures ..... 12  
State and local expenditures ..... 14

Total ..... 61

In addition, the former President said that if seriously proposed further spending were carried out, 20 days' work would be added for a total of 81 or one week every month, allowing for holidays, Sundays and vacations.

## In 'Voodoo' Murder

POLICE in Baltimore are seeking to unravel the weird circumstances surrounding the strangling of Mrs. Emma A. Kefalos (above), 60, a spiritualist. Among the mass of "other world" clues was a voodoo curse found in Mrs. Kefalos' apartment. It was in the form of a flask, with a crude doll suspended, head downward, inside. A man's name was scribbled on it. (International)

## MERCHANTS ASK THAT REPAIRS BE SPEEDED

Businessmen of Morrisville Claim Business Has Dropped Off

### PARKING PROHIBITED

MORRISVILLE, Aug. 11—A severe "financial beating" is what merchants along East Bridge street, between Delmor and Pennsylvania avenues, claim they are receiving. This is the result of the repaving of that portion of the street now well underway.

The businessmen claim that their sales have fallen off anywhere from 20 percent to one-third since the paving project started, because their customers cannot park their automobiles near the stores.

The Morrisville Businessmen's Association through its president, Irving Lavinson, has contacted the Pennsylvania State Highway Department at Harrisburg asking that the paving job be speeded up. Borough Secretary William Howell has also written to the department requesting action to complete the project as soon as possible.

An official of the highway department declared that the repaving will be finished by the end of next week.

There are approximately 20 stores in the three-block stretch of Bridge street which is under repair. The job was started about six weeks ago. First the macadam center strip of the three-lane roadway was torn up and replaced with concrete. Then the workmen began the job of patching the concrete south lane, drilling out the bad spots and filling the holes with fresh concrete. This part of the project was to have been finished Tuesday. The final phase will be the patching of the north lane, which is expected to take another ten days.

The merchants claim the work is proceeding much too slowly, and

## IMPROVEMENTS TO SCHOOL BUILDINGS NEAR COMPLETION

Cornwells and Eddington Buildings Have Been Painted

### 1 CONTRACT RELEASE

Opening Date of Bensalem Schools is Set For Sept. 7th

CORNWELLS HEIGHTS, Aug. 11—With the 1949-50 school term approaching, the painting of the interior of the Bensalem township high school, here, and of the interior and exterior of Eddington building is now complete. This report was made to school directors at their August session in the high school building last evening.

It was further reported that plumbing, electrical and carpenter work, in connection with renovations, are nearing completion also.

The lightning damage of last week was reported to the directors in detail. This damage is covered by insurance, and insurance company adjusters have already visited the site.

Robert B. Vansant presided, absentees being Harry West and Frank R. Tomlinson.

A resolution was passed to exonerate Thomas W. Baxter and J. Alfred Rigby, Jr., for the 1947 taxes, subject to receipt of final statement from the bonding company.

Hansell Field was reported as having had its final grading as a temporary field for football and baseball.

School opening date is set for Wednesday, September 7th, with a staff meeting scheduled for the afternoon of September 6th. First graders will be enrolled during the morning of September 6th, between hours of 9:30 a. m. and 12 noon, at the pupils' respective buildings.

Bensalem Rotary Club members have been invited to inspect the new annex at the high school building on August 30th.

Miss Mary Frances Smith, first and second grade teacher at Eddington, has asked to be released from her contract in order to pursue further studies.

The board authorized purchase of signs and posts, required under the law, and indicating school bus stops. These are to be erected by the state highway department.

Purchase of 40 additional primary grade chairs was authorized.

## Cadets Ready To Leave For Pittsburgh Tonight

The Robert W. Bracken Post, American Legion, Junior Drum and Bugle Corps will leave for Pittsburgh tonight hoping to bring back to Bristol the State Championship. It has been ten years since Bristol Cadets have had the honor of calling themselves "champs."

Under the direction of Corps Commander Arthur Straccio, the Corps feels confident that they may regain this title.

The Cadets will leave from the Legion Home at five p. m., with all necessary equipment. The competition will take place on Friday evening and ending the convention with a big parade on Saturday.

The cadets will leave from Pittsburgh on Saturday night and arrive in Bristol about noon on Sunday.

It has been with the help from the citizens of Bristol and the help from the Legion that makes this trip possible.

### ONE MAN'S OPINION

By Walter Kiernan  
(Distributed by International News Service)

Donations to the Republican National Committee are at a low point. Many seem to be under the impression that this worthy charity has closed its doors.

But the need is as great as ever.

It is true that the CIO is willing to handle individual cases and even now is planning to send Senator Taft to Ohio for a long rest.

But strong measures are needed to keep the party alive nationally, otherwise this will become a one party country. Isn't it?

First reports of the new chairman are encouraging. He finds the committee has succeeded in spending \$444,000 out of a \$71,000 income.

This is the sort of financing of which our democratic administrations have always been so proud, and it indicates that the Republicans finally are learning

TITO SEEKS RECRUITS

Time is not healing the breach between Premier Stalin and Marshal Tito, between the Russian-dominated Cominform and the defiant Yugoslav Communist Party, between the Moscow-centered communism upheld by the Soviets and the nationalistic variety put forth by Belgrade. If anything, the split is wider now than it has been at any time since the first crack appeared.

It widened perceptibly only the other day when Marshal Tito made a speech posing a new challenge to Russia. He plainly hinted that he would support popular movements against the Russian-imposed communist regimes in Albania and Bulgaria. This offer, if accepted, might end in Marshal Tito heading a group of Balkan dictators, all communists but nationalists too, who would be quite capable of putting Russia in a role very different from the one she seeks.

Such a development could alter the whole aspect of the present world political situation. This is true because the Russian concept of communism leaves no room for more than one interpretation — the Russian. All communists must follow the party line as laid down in the Kremlin. If it should be successfully defied by a significant number of communist states, the whole basis of the present world struggle would change.

Can Marshal Tito export his special Yugoslav variety of communism? No predictions are possible. It is known, however, that he dared to father it and has so far defended it against Russia with complete success.

PILING UP SECURITY

With the world in a state of tension the wisdom of stockpiling critical raw materials ought to be self-evident. So the ringing defense of the practice as now made by the Munitions Board is probably dictated by a fear that Congress in reducing a whole, will go even further than the Senate Appropriations Committee in reducing funds available for this purpose.

Though not commenting specifically on this action the board's report, required by law, declares that any slackening of the effort to build up reserves of supplies endangers the nation's security. It points out that stockpiling must be a steady, continuous process. It is slow business at best and could not be appreciably speeded up in case of sudden emergency. The board believes that the possession of an enormous stockpile is a deterrent to war. It holds so firmly to this belief that it even urges that the world be kept informed of the size and nature of the reserves of materials for the military establishment. It claims that if a potential aggressor knows how well-equipped this country is, he will hesitate to engage it in conflict.

American children succeed in wearing out an average of three and one-half pairs of shoes a year — but it's quite a scuffle.

Discusses Link Between Chinese 'Reds' and Russia

Continued from Page One  
total of these things, then the international reactionary forces bearing down on us would surely be far greater than at present.

"Could we have won victory under such circumstances? Obviously not."

Communist China does not need aid from Britain or America, he said, and warned against it because, he argued, British and American leaders would lend money to a "people's state" only to serve their own ends.

"Internationally," he declared, "we belong to the anti-imperialist front headed by the USSR and we can only look for genuine friendly aid from that front, and not from the imperialist front."

But, Mao said, there are some capitalists that he will cooperate with.

"The National Bourgeois class is of great importance at the present time," he stated; "Imperialism is still standing near us and this enemy is very fierce. A long time is required for China to realize its true independence economically."

"Only when China's industries are developed and China no longer depends on foreign countries economically, can there be real independence."

"To cope with imperialist oppression and to raise the backward economic status one step higher, China must utilize all urban and rural capitalist factors which are beneficial and not detrimental to national economy and the peoples' livelihood, and unite with the national bourgeoisie in common struggle."

"Our present policy is to restrict capital, not to eliminate it."

The military successes so far, Mao said, are "simply the first step in the 10,000 mile long march."

He explained: "Remnants of the enemy have still to be wiped out, and the grave task of economic reconstruction lies before us."

Western diplomats, businessmen and military observers in Canton, Hongkong and Taipei are still, a month later, trying to decide why Mao made the speech.

They feel he had nothing to gain from such an announcement and a good deal to lose.

Chinese nationalist officials take an opposite view, saying that to Mao the opportunity to trade with the west was no opportunity at all and that the speech accomplished two important things for him:

1. Proved to Moscow that he was not courting the west in any way, and that his allegiance was completely with the Soviet bloc.

2. Fanned anti-foreign spirit among the people of his part of China and carefully channeled their resentment against Americans and British and away from Russians.

These Chinese consider Mao's speech well-planned to meet his current problems.

(Tomorrow: Conclusion — "Civil War" or "International War.")

A Summary of The News

Continued from Page One

crisis touched off by the question of King Leopold's return to the Belgian throne.

The Albanian Government charged that Greek troops fighting guerrillas had invaded Albanian territory near the frontier with Greece. It reported that hundreds of Greek troops had been killed or captured in a four-day engagement.

In Vienna there were reports that the Russians were dismantling or preparing to dismantle some Soviet-controlled factories scheduled to be turned over to Austria for \$150,000,000 under the terms of the draft of the proposed peace treaty.

An anti-Semitic newspaper article that advised Jews to "go to America" led to a riot in Munich in which six Jews and three German policemen were seriously injured.

to the First Church of Hamburg, and five years ago was given a degree of Doctor of Divinity by Franklin and Marshall College, in recognition of his work with the Churchmen's Brotherhood and general church work.

The clergyman is now looking forward to having an assistant pastor, Rev. John Martin, of the Senior class of the Theological Seminary at Lancaster, having worked with the young people of the church in that capacity all summer.

A number of traffic violators were taken before New Hope justices of the peace during the past few days. Charges included failure to stop at "Through traffic" signs, disregarding parking signs, etc. Fines and costs were imposed in each instance.

RECIPES

Mock Chicken Legs, Country Style

1/2 pound ground veal  
1/2 pound ground pork or pork sausage  
1 teaspoon salt  
1/2 teaspoon pepper  
5 wooden or metal skewers  
1/4 cup enriched flour  
3 tablespoons lard or drippings  
2 cups milk  
Salt for gravy  
Pepper for gravy

Combine ground meat, salt and pepper. Divide meat into 5 portions. Mold each portion firmly on a skewer, shaping the meat like a drumstick. Dredge with flour. Brown on all sides in lard or drippings. Cover and cook slowly for about 30 minutes. Remove drumsticks from pan, stir remaining flour into drippings and add milk. Stir until smooth. Season gravy. Serve gravy over drumsticks. 4 to 5 servings.

Get the "In-the-ways" out of the way the Want Ad way.

Proper Way to Brush Teeth

Baking soda makes a most effective dentifrice. Just wet your toothbrush in cool water, pour soda in palm of hand and dip the brush into it.

By HELEN FOLLETT

YOUR dentist can tell by the color of your teeth whether or not you brush them properly. It seems that few individuals make a rousing good job of this important detail of oral hygiene. The outer surfaces get a scouring, but the sides of the teeth and the inner surfaces barely get more than a lick and a promise. Our bits should not only be kept clean, they should be polished. How much time do you spend on yours?

Whenever possible, brush your teeth soon after a meal. Certain food elements ferment, produce chemicals that act unfavorably on the dentine, and they do it in a hurry. If you have a sweet tooth, indulge in candy gorges, be extra fastidious when washing your teeth. Sugar is no friend to the mouth pearls.

Rinse With Lotion  
Brushing is not enough. The mouth should be rinsed with a

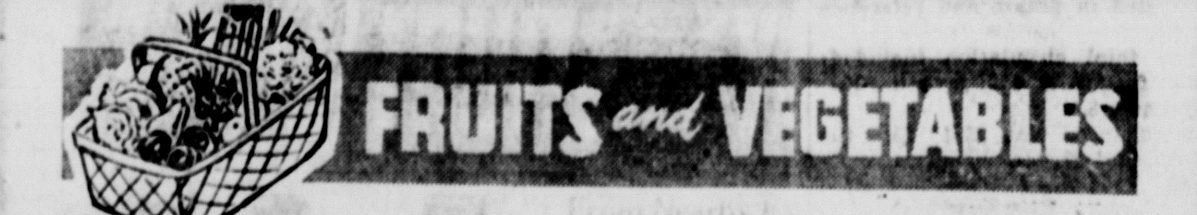

tion to remove foreign particles that have been dislodged by the bristles of the brush. Baking soda makes a most effective dentifrice.

If you are a postponer, always putting off the day when you should climb into the dentist's chair for examination, cleaning and repair of your teeth, you are not playing fair with yourself. Tartar often forms, causing discomfort and receding teeth and this growth can only be removed by instruments; the brush won't do a thing to it.

The gums should have exercise. The only way they can get it is for you to chew hard food. So eat your bread crusts, like a good girl. Eat raw vegetables like cabbage hearts, turnips, carrots; they're good for a lot of things besides doing well by the teeth and gums.

At the first pang of toothache, hie yourself to the dentist's office. If infection is present, it is a real danger as it can be communicated to other parts of the body.

Have you ever noticed the date stamped on each carton of A&P eggs? It is put there to protect the quality and freshness of this perishable item.

An egg that is Grade A when it is inspected and packed could become Grade B or C by the time you buy it if it has been improperly or slowly handled.

We don't want that ever to happen to an A&P egg. That is why we put the date when the eggs are graded on each carton. Eggs not sold within a few days of that date are removed from sale even though they are still of good quality.

If you should ever find that any of our egg cartons bear old dates or that any eggs fail to live up to our high quality standards, please tell us about it. Please write:

# "Rose Marie" Will Be Included In "Circus"

LAMBERTVILLE, N. J., Aug. 11— "Rose Marie," one of the most popular musicals ever written, will be played by St. John Terrell's Music Circus, here, August 16th through 21st, with Wilbur Evans and Susanna Foster in the leading roles, supported by "Johnny" Call.

For perhaps the first time in a production of this gay and sentimental perennial, the classic "Indian Love Call" scene will be sung literally from the mountainside that stage directions indicate. Instead of the usual papier mache cliff, Miss Foster will sing from an actual rocky ridge of the Woodward Tract outside the arena theatre that is located beneath a large canvas top hundreds of feet above the Delaware River.

Special acoustical effects for the production have been arranged. One will involve a large tom-tom upon which six girls of the Thomas Canon ballet, bedecked in bells, will execute an Indian dance. The traditional chorus dancing of "Rose Marie" has been modernized by Mr. Cannon for the Music Circus presentation and restyled to meet the revolutionary requirements of the oval stage around which the audience is seated in a complete circle of individual chairs.

Robert Zeller, popular young conductor of the Music Circus series, continues as musical director of the arena theater's seventh presentation. The original ten-week season of musicals and operettas has been increased to 11. The cast comprises 40 voices and dancers.

Never before do so many owe so much to those little Want Ads.

## CHANNEL HOPEFUL HELPS YOUNGSTERS LAUNCH BOAT

PRECEDING HER regular morning swim, Shirley May France, 16, of Somerset, Mass., helps a group of youngsters at Dover, Eng., get their craft into the water for a holiday boat ride. When the boat was well off shore, Shirley swam alongside as she worked out for her attempt to swim the English Channel. (International)

## ANDALUSIA

Mr. and Mrs. Charles Lott, Mr. and Mrs. E. W. Dilks and children, Dorothy and James, returned to their Bristol Pike home yesterday following ten days' motor trip to parts of the New England states and southern Canada. They visited Niagara Falls, N. Y., Quebec, Toronto, Montreal, Canada, and took a boat trip up the St. Lawrence River, around the Thousand Islands. On their homeward trip they stopped at the state capital, Harrisburg.

## Receives National Award For Rescue at Eddington

PHILADELPHIA, Aug. 11—A Kensington youth, Francis G. McGuire, 17-year-old Philadelphia Sea Scout and Marine Corps Reservist, received the Popsicle National Youth Award yesterday afternoon at a luncheon in the Warwick Hotel. He was honored for his heroic rescue of an unidentified boy, about 6, from the Delaware River at Eddington on June 26th.

His selection as the outstanding youth in the Philadelphia metropolitan area makes him eligible to compete for one of two four-year, expense-paid scholarships to Syracuse University. The scholarships will be awarded to those selected in a nation-wide competition.

Mayor Bernard Samuel, who officiated at the ceremonies, voiced praise for the youth and his mother.

The Mayor presented McGuire with a gold medal, a \$100 savings bond, a citation from Bob Feller, of the Cleveland Indians, who heads the national committee, and a baseball autographed by the star pitcher.

## SUNDAY DINNER Suggestions

SALADS and the countless methods of preparing them provide one of the more interesting chapters in the wide range of cooking. Although popular the year 'round, salads which make fresh produce available at any time of the year, they achieve their greatest popularity during the warm weather months.

At one time salads were confined to a few raw herbs, but today they cover a wide variety of foods and, so long as it includes at least one fresh fruit or vegetable, the average salad fully qualifies as a prime source of nutrition. However, in order to ease the task of the amateur salad maker, the A & P Service for Homemakers urges that certain basic rules be observed.

It is important to bear in mind that salads are composed of two parts—a green base combined with a substantial portion of meat, shellfish, poultry, fruit or another vegetable.

The green base is particularly important, for it enables cooks to comply with the nutritionists' claim that "we must eat some raw food every day" for good health. Lettuce is by all means the most popular item in this respect, but watercress, celery, endive, escarole, cucumbers, cabbage or celery are also welcome variations. All these greens will provide good sources of vitamins B1 and G as well as being tasty and economical. Parsley, even a few sprigs, not only adds eye appeal to the salad but vitamins and minerals as well, for this green is a fine source of vitamins A, G and iron.

For an appetizing Sunday dinner, try serving a crabmeat salad with chunks of crabmeat, cold canned asparagus, olives, sliced tomatoes, dressing on the side and carrot curls, plus a dessert of ice cream cake and iced beverage.

## Discover Fine Old Pine Boards In A Bakery

DOYLESTOWN, Aug. 11—A quantity of wide, knotting pine boards has been discovered as renovations were carried out at the Fryer bakery on East State street. The boards were topped by a newspaper dated 1852.

The beautiful, unstained boards, which were found in the attic, totaled about 400 board feet and also had the name of James Cleaver scrawled on one of them.

Approximately half of the wood found has been used as a wall at the rear of the shop, which has been used as a bakery since 1842, according to records in the Court House here. "It's possible, too," Mr. Fryer said, "that it might have been a bakery even long before that."

An old brick oven, just behind the shop, which is also being removed, at one time held 230 loaves of bread. A modern oven has been

in use for some time. Breaking up of the old oven will mean the removal of approximately 50 tons of brick and clay.

## EDGELY

Mrs. Michael Kurko, and daughter Helen are spending several days at Seaside Heights, N. J.

On their recent trip, which took them over 3,500 miles, Mr. and Mrs. George W. Bintliffe, Jr., and son Lee, returned with ten rolls of color movie film, covering the entire tour through Maine, and Nova Scotia, Canada. They then followed the coast line around New Brunswick to the Gaspé Peninsula and up the St. Lawrence River to Quebec, Montreal, Ottawa, Toronto, Hamilton, Canada; and Niagara Falls, N. Y.

Mr. and Mrs. James Wright entertained as week-end guests Mr. and Mrs. Frank Dolan and son "Billy," of Cold Spring Harbor, N. Y.

## CHANGE OF SCENE

FORT RILEY, Kans. (INS)—Sgt. Burel H. Blake of Los Angeles has re-enlisted in the Army for a hitch with the Far East Command after 13 years in the Fort Riley photo section. He estimates he has taken 250,000 photographs while at Riley.

## GOULEN LIBRARY

NEWPORT BEACH, Cal. (INS)—The "Golden Library" of the Mayas is the object of the latest expedition of Dana Lamb and his wife, Ginger. It is believed only three gold-inscribed pages of the Mayan library are still in existence.

# MANHATTAN AND LEEDOM'S WIN LEAGUE GAMES

Manhattan and Leedom's won their games of the Bristol Industrial League last evening. The Manhattan team triumphed over Fleetwings, 3-1, on the Hunter-Wilson diamond while Leedom's registered a 4-2 win over Rohm & Haas on the latter's field.

The first-place Fleetwing team was held to five bingles by Tony Conoline while the soap-workers tabbed the same number of hits off Paul Paoletta. Conoline passed two batters while Paoletta gave up four free tickets.

Manhattan won the game in the second when with Kratz and Pierandozzi on base, Crohe smashed a long triple to score both runners and then score himself on Phil Valponi's long fly.

Dave Ludwig's pitching and work at the bat gave the rug-makers their win over Rohm & Haas. Ludwig permitted the losers four hits while with the stick he had two out of three. After Rohm & Haas scored a pair of runs in the first, Ludwig held them scoreless the remainder of the game.

"Toby" Oriola handled himself well in the field for the losing combination. He set up two twin-killings and handled four other chances.

# YOUTH LEAGUE TO START SEMI-FINALS

The semi-finals of the Bristol Youth League between Croydon and Newportville will get under way tomorrow evening at Croydon, starting at six o'clock. The entire series will be played on the Croydon diamond with the second game scheduled for Sunday. The winner of this series will play Bristol Terrace for the title.

The manager of the Newportville team, Herman Steubing, and a representative of the Croydon team, William Struble, and officials of the league met last night in the Diamond Sporting Goods Store, Mill street.

# JEFFERSON A. C. WINS EASILY OVER ST. ANN'S

Jefferson A. C. smothered St. Ann's A. A. last evening in a Bristol Softball League game on Memorial Park field. The triumph put the Jefferson team closer to third position in the circuit.

The winners collected 17 runs on 16 hits, including a home run from the bat of "Johnny" Ciambella to make the final score read: Jefferson, 17; St. Ann's, 1.

While the winners were knocking the kopak ball all over the lot, the "Saints" were having difficulty in attempting to hit Vito Marseglia. When "Steve" Monachello lined a hit into center in the fourth, it was the first St. Ann's hit in 11 innings.

St. Ann's made but three hits off Marseglia. Monachello's hit, a double by Steve Masne and a single by Ernie Pinelli.

The Jefferson team fattened their batting averages on the hurling of "Chick" Cicanti. "Vic" Cauti had four for four and both Steve Ciotti and Ed Hunter had three out of five.

The Jefferson club scored eight runs on three hits, three walks, and three errors in the third and tabbed seven more on six hits, two errors, and a walk in the fourth.

In the other scheduled Suburban Softball League game, Fleetwing Estates forfeited to Second Ward on Leedom's field.

# Merchants Ask That Repairs Be Speeded

Continued from Page One

charge that the Highway Department has not sent enough men to do the job. The businessmen are also aroused because parking is prohibited throughout the whole three-block stretch although the men are working on one section of the street at a time. They feel that cars could be allowed to park at one end of the stretch while the other end is being repaired.

Business has been so bad in the shopping center lately that one place closed its doors for a few days.

The manager of the super market reported his business has dropped 20 percent since the repair work started. "Customers ride around the block a couple of times and when they see they can't park near the market they just ride on," he declared. He expressed sympathy for the smaller stores in the neighborhood, pointing out "a large concern like ours can take a loss like this but for the little stores it's ruinous." Other store owners had the same story.

Contacted at Ardmore, S. C. Weikert, district maintenance engineer of the Pennsylvania Highway Department, said the entire repaving job will be completed by August 20. He denied that the project is behind schedule, and pointed out that drilling and patching the concrete lanes of the street is unavoidably a long-drawn-out process.

partment, said the entire repaving job will be completed by August 20. He denied that the project is behind schedule, and pointed out that drilling and patching the concrete lanes of the street is unavoidably a long-drawn-out process.

# HULMEVILLE

Eleven members were in attendance at the business meeting of the Ladies Auxiliary, held in William Penn Fire Co. station, Monday evening. Mrs. William Caylor was the presiding officer, hostesses being Mrs. William Hill and Mrs. Edith Spickler. Games were enjoyed later.

Constantine Pelikan, brother of Mrs. Walter Soby, together with Mrs. Pelikan, has arrived in this country from Europe. Mr. Pelikan will come to Hulmeville on Monday to visit Mr. and Mrs. Soby for a week. It has been 17 years since Mrs. Soby saw her brother. Natives of Austria, Mr. and Mrs. Pelikan were in a Russian concentration camp for a time during the war, and more recently have been living in Germany. A recent guest at the Soby home was Mrs. Charles Gardner, of Moorestown, N. J.

Work has been started on installation of some curbs and gutters in the Reetz and Lincoln avenue areas here, where roadways are soon to be paved, contracts having been awarded one contractor by two Reetz avenue business firms.

Mrs. Charles Thorpe, Sr., has concluded a week's visit to her sister at Union City, N. J., and to relatives in East Paterson, N. J. The localite also visited at New York, N. Y.

## NEWS OF INTEREST TO PA. FARMERS

By John Harms

(INS Penna. Farm Editor)

HARRISBURG, Aug. 11—(INS)—The trend in Pennsylvania today is toward fewer farms and on-the-spot operators.

Ten years ago, the Pennsylvania production and marketing administration reported, there were a total of approximately 145,000 farms worked on a full-time basis, while at present there are about 135,240 farms, with a continuing downward trend.

The dropping off is due mainly to "a continual combination of farms." Farms, experts say, are getting bigger.

The PMA said the trend is toward fewer farmers but more people living on farms.

Latest figures on farm population indicate about 739,877 people live and work on Pennsylvania farms. The 1940 census put the farm population figure at 914,739 in the State, but the census included in addition to workers, all others living on farms, accounting for the much greater figure.

The national trend, according to the U. S. Department of Agriculture, also is on the decline. In January, 1949, more than 27,776,000 people lived and worked on the nation's farms. That's a nine per cent drop, or about 2,771,000 less, from the 1940 census of 30,546,911 persons.

The decline, however, has not been continuous, the department reported in January, 1949, with about 25 million in January 1945.

In the four years that followed there was an increase of about two and one half million, or 10 per cent, in the farm population. This in-

crease in part reflected high post-war birth rates, relatively low mortality rates, and the return to farms, especially through 1945 and 1946, of many persons demobilized from the armed services, the department declared.

Continuing a peek at the national picture, closely followed by Pennsylvania, the PMA reported this spring's pig crop numbered 59,040,000 head, 15 per cent more than last spring. Only spring crops of 1943 and 1944 were larger. . . farmers' reports indicate that about 5,822,000 sows will farrow this fall, an increase of 13 per cent from a year ago.

The Federal-State crop reporting service predicted marketings of poultry and eggs in the last half of 1949 will be larger than the same period of last year because of larger spring hatchings and liberal feeding. . . from now till fall egg prices will rise seasonally, though probably not as much as usual. . . In mid-June the national average price received by farmers for eggs was 44.1 cents a dozen, up about one cent from mid-May.

## SEE BASEBALL FILMS

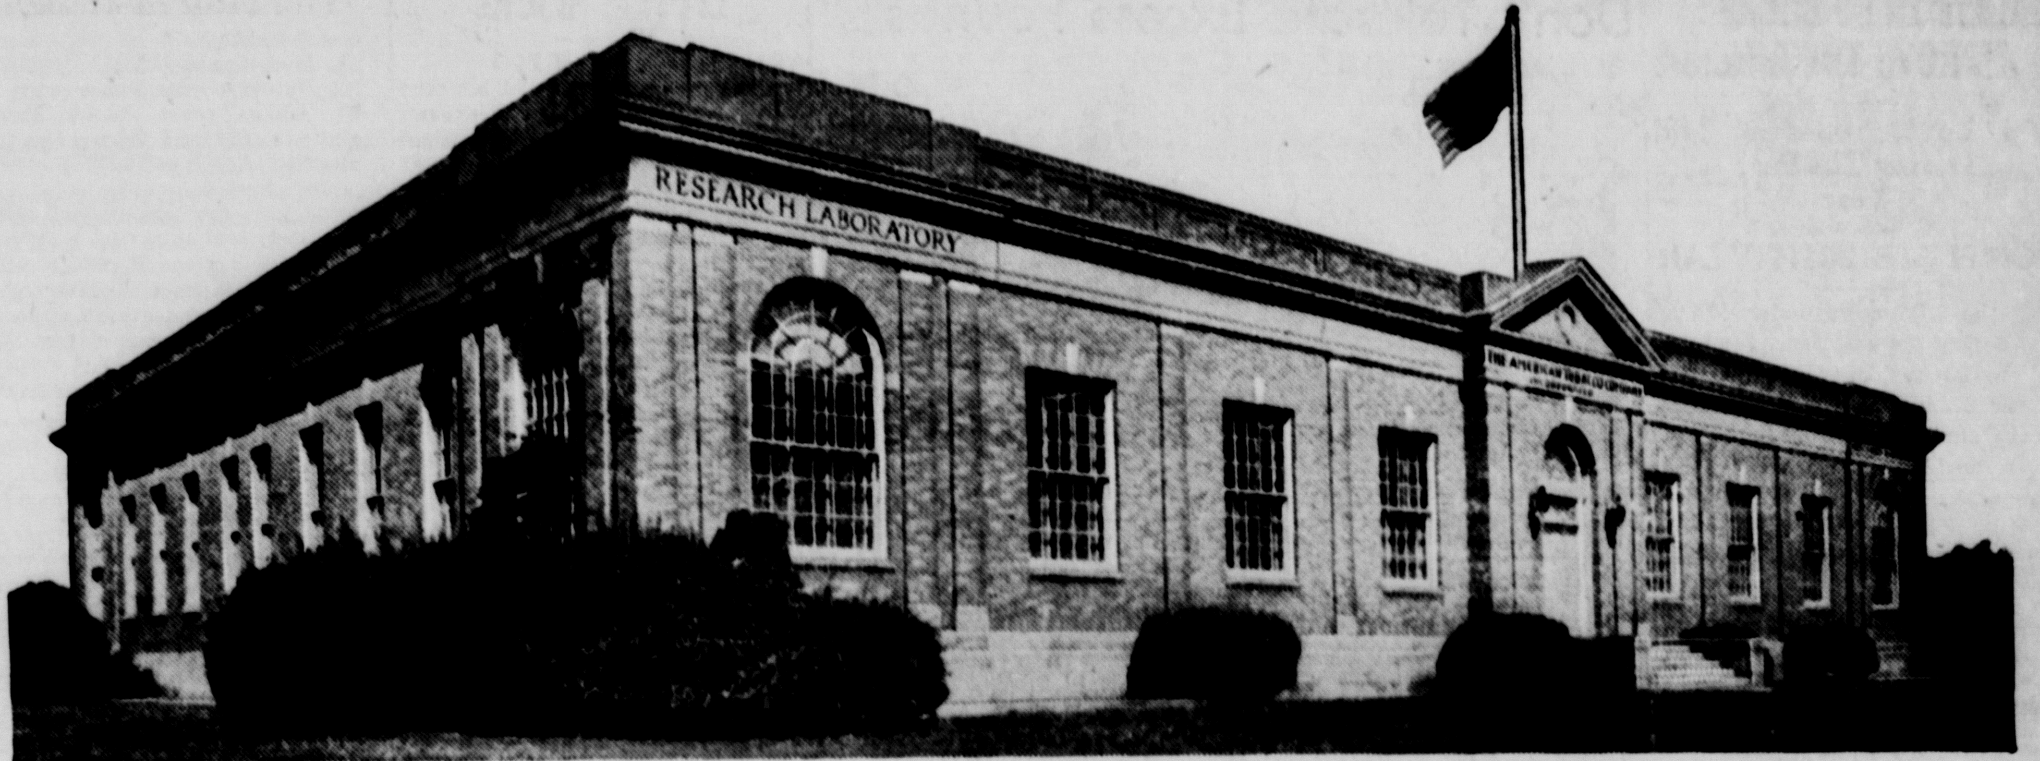

ANDALUSIA, Aug. 11—Andalusia Lions Club met Thursday at Becker Farms Inn with Francis J. Rosebauer presiding. The invocation was by Raymond Vickers. Education committee chairman William R. Sterner spoke of the attendance contest. Richard F. Brackin told of the Booker T. Washington Memorial Group trying to secure funds for training schools for the colored people by selling Booker T. Washington "half dollar pieces" for \$1. Several members purchased these. Vincent A. Cooke, program chairman, presented motion pictures of the 1948 world series baseball. These pictures were secured through courtesy of James Flood.

## ANDALUSIA

## Here's another big reason why THERE IS NO FINER CIGARETTE IN THE WORLD TODAY THAN LUCKY STRIKE

America's finest cigarette laboratory assures you that—

1. Lucky Strike always means fine tobacco!
2. Lucky Strike is always a finer cigarette!

YOU SEE HERE the largest and most complete laboratory of its kind operated by any cigarette manufacturer in America.

For many years Lucky Strike scientists have delved into cigarette research on an extensive scale. Out of this has grown an elaborate system of quality control. Every step in the making of Luckies—from before the tobacco is bought until the finished cigarette reaches you—comes under the laboratory's watchful eye.

As you read this, a constant stream of tobacco . . . samples from every tobacco-growing area . . . is flowing into the laboratory in Richmond, Virginia. These samples are scientifically analyzed, and reports of their quality go to the men who buy at auction for the makers of Lucky Strike.

Armed with this confidential, scientific information—and their own sound judgment—these men go after finer tobacco. This fine tobacco—together with scientifically controlled manufacturing methods—is your assurance that there is no finer cigarette in the world today than Lucky Strike!

Everything's under control! Lucky Strike scientists supervise intricate tests daily to guarantee that the weight, size, density and firmness of your Lucky Strike are always right. Such details are rigidly controlled to guarantee you a truly finer cigarette.

Luckies stay fresh. After Lucky Strike cigarettes have been made and then packaged, they must be tightly sealed to remain fresh. Here you see the cellophane seal being tested for air-tightness. Such instruments are in use at every plant.

Testing tobacco. Samples from every tobacco-growing area are analyzed before and after purchase. These extensive scientific analyses, along with the expert judgment of Lucky Strike buyers, assure you that the tobacco in Luckies is fine.

## DAIRMEN OF BUCKS IMPROVE THEIR HERDS

166 Low Producers Sold  
During The Past  
Year

### COMPLETE 26TH YEAR

Of the 3,767 cows under official test during the past year, 166 were sold by Bucks County dairymen due to low production, it is announced in the annual report of Bucks Co. Dairy Herd Improvement Ass'n. The association has completed its 26th year.

One hundred and thirteen whole-year herds were under test. In addition, three herds with a total of 77 cows were in the association part of the year.

The average number of cows under test was 2,938.08, and each produced an average of 8,699 pounds of milk and 572.9 pounds of butterfat.

One hundred and three herds with an average of five or more cows exceeded an average of 300 pounds of butterfat. The registered Holstein herd of Isaac Yates, Newtown, took the lead for milk and butterfat production. His 18 cows averaged 14,280 pounds of milk and 535.7 pounds of butterfat.

Taking second place for average milk production was the 25-cow herd of F. H. Goodyear, Danboro. His Holstein herd averaged 13,528 pounds of milk. Third place in average milk production was taken by the 35-cow registered Holstein herd of Joseph W. Hollowell and son, Ivyland. The average yield per cow in this herd was 13,121 pounds.

Willard W. Wright, Yardley, is the owner of a 37-cow herd. The average milk yield per cow in this herd to take fourth place was 12,746 pounds. Fifth place for average milk production per cow went to the 21-cow registered Holstein herd of George M. Hunsberger, Plumsteadville. The average milk yield per cow in the herd was 12,395 pounds.

Taking second place for average butterfat yield was the eight-cow registered Guernsey herd of Mrs. H. D. Paxson, Hollings. Cows on this property averaged 512.4 pounds of butterfat.

Third place for average butterfat production was credited to the registered Ayrshire herd on Neshaminy Farms. The ten cows in this herd produced an average of 487.4 pounds of butterfat. George M. Hunsberger, Plumsteadville, is the owner of a 22-cow herd of registered Holsteins, which produced an average of 480.3 pounds of butterfat to take fourth place. Fifth place went to the registered and grade Guernsey herd of John N. Matthews, Gardenville. These cows yielded an average of 473.7 pounds of butterfat.

Russell E. Smith, Wycombe, is the owner of a 16-year old registered Guernsey cow that tops the list for life time and butterfat production. This animal has produced 129,386 pounds of milk and 6,516.3 pounds of butterfat.

Taking first place for life time milk production is a registered Holstein cow belonging to Isaac S. Gross, Plumsteadville. Twelve year old, this cow is credited with the production of 149,235 pounds of milk.

Ranking in second place for life-time butterfat production is a 14-year-old registered Guernsey belonging to Alvin Worthington, New Hope. This cow yielded 6,506.4 pounds of butterfat. Second place for milk production over a life span is a registered Holstein on the George School Farms. She is credited with 136,974 pounds of milk.

The cow establishing the highest record for butterfat yield the past year is a registered Guernsey belonging to John N. Matthews. This cow is credited with 771.1 pounds of butterfat. This cow also ranked

## Don't Tolerate Excess Pounds

If you have a nice figure, keep it that way with regular exercise and a well-balanced diet, says Screen Star Jean Peters. But avoid freak diets, she adds.

By HELEN FOLLETT  
**TRUNDLING** around more pounds than are needed to create the pleasing silhouette is like holding down a job. It drains the heavy-weight of energy. The woman who has a will of her own, and wills to use it, does not tolerate excess adipose baggage. She knows that overweight is a health menace.

Because some hare-brained women have gone in for freak diets and suffered impairment of vitality is no reason why the sensible woman should not delete her over-curves and stop crushing the bath-room scales. The first step is to consult the family physician. There will be a physical check-up. The doctor realizes that fat tucked away interferes with the functioning of the inner organs; he will encourage his patient to seek normal weight and measurements.

### Put on Weight

He will offer a diet that means that fat cells will no longer be fed; that in course of time, they will go

into a state of dissolution. Food elements that put on weight are fats, sweets and starches, so they are cut down to the limit. Less cream in the coffee, no sugar in any form, no pastries, small servings of cereals now and then.

One can have lean meats, sea food, poultry, buttermilk, fruits and fruit juices, vegetables, especially green salads, cottage cheese.

Sensible methods of reducing do not mean that one is going to be half starved all the time or that one must exercise to the point of fatigue. A little exercise is helpful, especially bending exercises that do not tire the candidate for slenderness.

To slim down the mid-section: stand tall, chest up, abdomen held in. Send the arms out at the sides on a line with the shoulders. Turn from side to side, as far back as you can, keeping the legs rigid. These movements cause the body to pivot at the waist line. By tightening up slack muscles, fat cells in that locality will vanish.

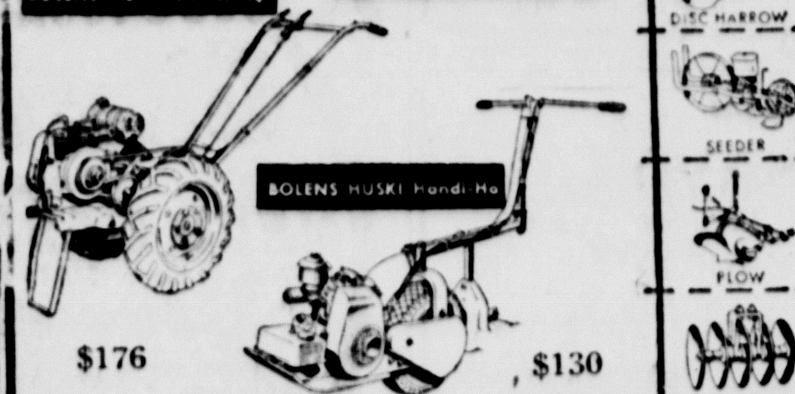

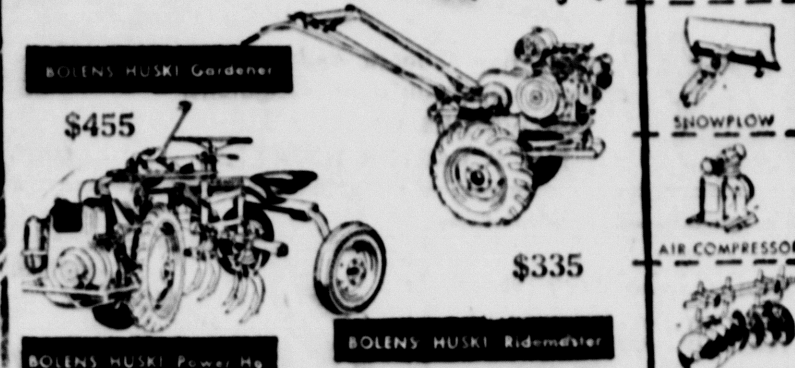

fourth in milk production with 17,687 pounds to her credit.  
Rating first for milk production is a registered Holstein in the herd

of National Agricultural College. During the year she produced 18,796 pounds of milk and 614.2 pounds of butterfat.

## LITTLE SLICES

### Glamour Ground Beef Dish

About face! That's what happens to meat pie which has a ground meat crust and a gay colored vegetable filling. The results are not only nice to look at, but the filling of sweet yellow corn and bright red tomatoes makes the meaty crust especially juicy and tender. It's simple to make and a novel idea for entertaining as well as a delicious dish for your family.

### Meat Pie, New Style

**Crust:**  
3/4 pound ground beef  
1 cup soft bread crumbs  
1/2 cup milk  
1 egg  
1 teaspoon salt  
1 1/2 teaspoon Worcestershire sauce  
2 tablespoons minced onion  
**Filling:**  
1 1/2 cups drained whole kernel corn

1 cup drained canned tomatoes  
1/2 teaspoon salt  
1/4 teaspoon basil  
Butter or margarine  
To make "crust," soak bread crumbs in milk and beaten egg for 5 minutes. Add beef, salt, Worcestershire sauce, and onion; mix thoroughly. Line the bottom and sides of a 9-inch pie plate with mixture. Bake at 350 degrees F. for 10 minutes. Meanwhile mix together corn and tomatoes and drain off any excess liquid. Add seasonings. Remove shell from oven, add filling, and dot with butter or margarine. Continue baking for 25 minutes. Cut in pie shaped wedges for serving. Garnish with parsley.

### Two-tone Hamburger Patties

When you have part of a can of luncheon meat left over, you can grind or chop it fine and mix with an equal amount of ground beef. Season with grated onion and a little salt and pepper. For a dress-up

touch, serve the two-tone patties on toasted buns with a slice of fried pineapple. To give a real Hawaiian accent to this interesting hamburger, spoon a little catsup mixed with soy sauce over the burgers after one side has been browned. Serve as above. (Patties also may be made entirely of ground beef.)

### Cranberry Franks

For easy supper meals on balmy summer evenings, serve plump, juicy frankfurters. For a different serving note, pop the franks into toasted buns and top with tangy cranberry-horseradish sauce. Heat the franks in water or broil or pan-fry before popping into the toasted buns. It's a pretty sight when these are arranged on a platter around a dish of dashing red sauce. For 8 franks, combine 3 tablespoons of

horseradish with 1 cup of jellied cranberry sauce which has been crushed with a fork. Heat this or serve cold with the franks. Don't forget to make good use of your cool porch or backyard for dining quarters. Serve the supper buffet style and include in the menu cold slaw, potato chips, and an assorted fruit bowl with wedges of cheese for dessert.

## WASHINGTON WEEK

By Charles L. Egenroad

WASHINGTON, D. C., August 11 — Let's forget!

"Give us a Democrat Congress and we will take action against monopoly."

President Truman promised it on September 30, 1948, in Louisville, Ky. The Eighty-First Congress, after seven months, has taken no action whatever on anti-monopoly legislation. There wasn't even a Small Business Committee set up in the Senate until recently.

On October 29, 1948, in Yonkers, N. Y., Mr. Truman thundered: "If you want to repeal the Taft-Hartley Act, then you had better go to the polls next Tuesday and vote the Democrat ticket straight."

A Democrat Senate has refused to repeal the act and the Democrat House hasn't yet taken up labor legislation since repeal failed months ago.

"We favor legislation assuring that the workers of our Nation receive equal pay for equal work regardless of sex." (Democrat platform.)

No action in either House on such legislation.

"We intend to go forward with the development of our natural resources, by such means as soil conservation, reforestation, the utilization of our water resources and the development of great waterways like the St. Lawrence Seaway." (President Truman, October 13, 1948, Superior, Wis.)

So far, no action yet in either House on St. Lawrence Seaway or Columbia Valley development.

"With a Democrat President and a Democrat Congress . . . we will be unified for the expansion of social security, the improvement of our educational system and the expansion of medical aid." (President Truman, October 12, 1948, St. Paul, Minn.)

Social Security expansion is still in a House Committee and no action has been taken in the Senate.

A Federal-aid-to-education bill passed the Senate back in May, but is hopelessly bogged down in the House.

The socialized medicine, or health program, is still languishing in Committees.

"Our determination to attain the goal of equal rights and equal opportunity must be resolute and unwavering. For my part, I intend to keep moving toward this goal with every ounce of strength and determination I have." (President Truman, October 29, 1948, Harlem, N. Y.)

An anti-lynching bill is in a House Committee; and an anti-poll tax bill passed the House but administration leaders in the Senate have refused to put it to a vote. An anti-segregation bill passed the House April 4, but there has been no action in the Senate. Finally a fair employment practices bill is tied up in the House Committee.

"We need controls on inflation. A Democrat Congress will give us these controls." (President Truman, October 23, 1948, Wilkes-Barre, Pa.)

Ah, yes, let's forget!

By Jim Larkin

"Lives of great men all remind us  
We can make our lives sublime—  
But most of us need behind us  
A living kick from time to time."

I wonder what ails most men  
of my acquaintance. No doubt  
they are supposed to be attracted  
by the results, but we reactionaries

cringe and shudder at female  
fingernails painted in all de-  
grees of red to almost black. We  
fellows strangely prefer pinkies  
in the original pink; digits in Na-  
ture's decor.

## DEFINITIONS IN RHYME

Because the word means lying  
and deceit, try to be free  
of that unwanted weakness that  
is called MENDACITY.

After bills are paid, the money I  
count  
shows PAUCITY—smallness of  
amount.

You should have a first-aid kit  
in your car—and here's hoping  
that you will not need to use it.  
A flashlight also is a must.

Two of this month's historical  
items are certain to bring only a  
disinterested "Yeah?" from pre-  
sent-day students: In 1899 the  
Sultan of Sulu yielded to the U. S.  
In 1910 Glenn Curtiss flew  
60 miles in 1 hour and 18 min-  
utes.

If your vacation includes boat-  
ing, remember not to stand in the  
boat. If you should fall over-  
board, keep calm. Climb back  
into the boat at the stern. If  
you can't get in, hang on until  
help comes; most boats will not  
sink.

How can a loving and young front-  
porch pair  
ever hope a real case to be  
hatching  
When interrupted by such fre-  
quent  
need  
of the shoeing and swatting and  
scratching?  
Tallies don't tell of the many  
romances  
that suffer cruel permanent  
vetoes.  
As a result of the constant attack of  
the summer's worst pest—these  
Mosquitoes.

Referring to the verse above,  
I possess a strange immunity.  
Mosquitoes never bite and seldom  
approach me. Even in the depths  
of Wisconsin. Forests, the clouds  
of the pests (to others) open a  
path for me and then power-  
drive on my suffering companions.  
Whether this is kindly considera-  
tion or ostracism, is a mystery—  
but it's comfortable.

If you must use sun glasses,  
use good ones. Glasses of infer-  
ior quality can cause impairment  
of vision and view distortion, re-  
sulting in accidents. Even the  
best of such glasses should be  
used sparingly.

The alleged "weaker sex" is  
growing either tougher or more  
stoical. A girl who in winter  
had so much trouble smoothing  
her long "drawers" under her  
long stockings, now has a grand-  
daughter who wears bobby-sox  
and "Minikins—the Smart Mini-  
mum in Undies."

On your summer trip do not  
forget that careless driving and  
excessive speed have been lead-  
ing causes of demolished cars  
and their occupants.

## Coming Events

Individuals and organizations  
publishing affairs in which they are  
interested in the Courier, can re-  
ciprocate by having printing done  
at the Courier office. A competent  
staff is always available to turn out  
the smallest or largest printing job.

DESIGN NO. 4139

● This new basementless home is an excellent example of good architectural design... the "thinking ahead" in planning a home. The house as illustrated, including breezeway and garage, requires a rather wide lot. However, if your homesite is narrow, you can still adapt the design to your lot and enjoy this modern compact home. The accompanying diagrams show suggestions for other possible plot arrangements. There are scores of beautiful home designs in our Weyerhaeuser 4-Square Home Building Service. Come in and study all of these homes. They provide a wide choice of styles and sizes. One of these designs is sure to fit your family needs and satisfy your preference.

## THIRD WARD LOSES TO NEWPORTVILLE; OUT OF PLAYOFFS

The Third Ward Eagles were eliminated from the playoffs of the Bristol Youth League as it lost to the Newportville Redskins, 7-5, last evening on the Township field.

Only the wildness of Dale Proveau made the score as close as it ended. For with the stick, the Warders were helpless. The only hit made off the delivery of Proveau was a single by Wren in the fourth inning. The Redskins' twirler had 10 strikeouts.

Bob Jones and Ed Oliver led the Newportville club with the bludgeon, each having a double and single. The winners had 12 hits off George Ireland.

Lineups:

Newportville	ab	r	h	e	a	e
Saul lb	4	0	1	4	0	1
Robinson 2b	4	0	1	2	1	0
Oliver 3b	4	2	3	2	2	0

## CROYDON DEFEATS BRISTOL TOWNSHIP

CROYDON, Aug. 11 — Croydon A. C. defeated Bristol Township 9-5, last evening to enter the semi-finals of the Bristol Youth Baseball League. Croydon will now meet Newportville Redskins in a series of three games with the winner of this series meeting Bristol Terrace for the playoff championship.

Lane Conn hurled the Croydon team to the triumph, limiting Township to five hits. Croydon had 12 hits in the contest with Joe Dominick setting the pace. Dominick had four hits in four times up. Struble also had a nice evening with three out of four.

It was a well-played game until the last half of the fifth. With the score tied at 4-4, Croydon shoved five tallies across to clinch the verdict. The quintet of runs were made on singles by McCauley, Hedrick,

Loeffler, and Struble and doubles by Conn and Dominick.

Lineups:

Croydon	ab	r	h	e
Loeffler ss	4	2	1	0
Struble 2b	4	1	3	0
Dominick c	4	1	4	0
